EXPLANATION

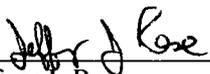

The Bureau of Trails has held a Land Use Agreement on these properties for over 25 years. The property consist of 111,000 acres as shown on the attached map with several hundred miles of trails open to snowmobiles and off highway recreational vehicles. This agreement is for the administrative time associated with their staff working with us on trails and property related issues such as maintenance work, trail construction, and environmental compliance. The reason this request is Retroactive is due to the length of time it took to get the terms updated and signatures in place. *The first years payment will be a combination of \$5,400 Bureau Funds and \$2,000 from the proceeds of the sale of a former patrol cabin on the Bayroot property that was in disrepair and no longer in use.

The Attorney General's office has approved this Land Use Agreement as to form, substance and execution. (4)

WHEREAS, BAYROOT is willing to grant such access provided that such access can be granted with statutorily limited liability to BAYROOT, and can be granted at no cost to BAYROOT, and provided that DRED is willing to establish, maintain and patrol said trails during such times as this Agreement remains in effect.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants set forth hereinbelow, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, BAYROOT and DRED hereby agree as follows:

1. Description:

BAYROOT grants permission to the public, in the manner and subject to the conditions and restrictions stated in this Agreement, over and across certain lands of BAYROOT for the purpose of the location, relocation, establishment, construction, reconstruction, installation, erection, improvement, maintenance, repair, use, patrol, discontinuance, retirement, abandonment and restoration of a system of designated trails for groomed snowmobile and off highway recreational vehicles (together, "Off Highway Recreational Vehicles"), including designated bridges/culverts across streams, ("Trail(s)"), along with designated trailhead parking and sanitary facilities at strategic points. Off Highway Recreational Vehicles specifically do not include 2-wheeled vehicles or bikes, with or without motors (for clarity, "trailbikes" are prohibited).

The Trails are over and across, and the Facility Sites are located upon, certain lands of BAYROOT located in the State of New Hampshire, hereinafter referred to as the "Premises". The Premises are generally described as located in the Towns and in the Unincorporated Places as set forth on the attached list, "Exhibit A- List of Bayroot LLC Moxie Tree Farm Lands", which Exhibit A is attached hereto and made a part hereof. The locations of Trails and of Facility Sites are restricted to the BAYROOT Moxie Tree Farm designated trails, roads, and sites as shown on the attached map, "Exhibit B - Location Map of Bayroot LLC Moxie Tree Farm Off Highway Recreational Vehicle Trails and Facility Sites", which Exhibit B is attached hereto and made a part hereof. 3. Term:

The term of this Agreement shall commence on the date of approval of Governor and Executive Council and shall terminate on June 30, 2020. This Agreement shall be subject to the rights of either party hereto to terminate this Agreement as set forth hereinbelow.

4. Payment:

4.1 DRED shall pay during the term a fee of \$37,000 for the public use of Trails. The payment of the fee shall be made in five (5) annual fee installments of \$7,400, with the first payment due upon approval of this Lease by the Governor and Executive Council and subsequent

payments on or before August 1 of each year. The first year's payment shall be a combination of (i) a bill of sale to the state's rights to the former patrol cabin and its furnishings to Bayroot or Bayroot's assignee and (ii) \$5,400 in cash.

4.2 Notwithstanding anything to the contrary contained herein, it is understood and agreed that all payments of all sums by DRED hereunder are contingent upon availability and continued appropriation of State funds, and if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, DRED may terminate this Agreement in whole or in part immediately.

4.3 If at any time during the term of this Agreement the parties agree to alter the Premises as provided for in Item 10.1 hereinbelow, or BAYROOT divests of and withdraws from this Agreement any of its lands as provided for in Item 10.2 hereinbelow, or otherwise, the subsequent annual fee installments shall be reduced proportionally by the reduction in acres of the Premises. Any such annual fee installment adjustment calculation shall be made at the rate of \$0.0707 per acre. Any adjusted annual fee installment shall be as invoiced by BAYROOT.

DRED shall not commence or perform any location, relocation, establishment, construction, reconstruction, installation, erection, improvement, maintenance, repair, use, patrol, discontinuance, retirement, abandonment or restoration of Trails or Facility Sites on land of BAYROOT until after DRED has given such notifications and/or applied for and obtained any such governmental approvals, permits, authorizations, or licenses required for such action, and copied same to BAYROOT, if any.

- 6.9 DRED agrees to close any Trail (or portion thereof), as requested by BAYROOT, that in the sole determination of BAYROOT, the woods operations of BAYROOT or its contractors would make use of any such Trail (or portion thereof) hazardous to the public, within forty-eight (48) hours of receipt of written notice from BAYROOT to DRED. The parties agree to work together to relocate the Trail (or portion thereof) so to minimize the interruption of public use of such Trail (or portion thereof).
- 6.10 DRED agrees to close any Trail (or portion thereof), as requested by BAYROOT, that in the sole determination of BAYROOT, is causing unacceptable erosion, or is causing unacceptable sedimentation into a water body or stream, within forty-eight (48) hours of receipt of written notice from BAYROOT to DRED. - 6.11 DRED, at its own expense, shall regulate the use of Trails and Facility Sites by the public.
- 6.12 DRED, at its own expense, shall maintain Trails and Facility Sites in good and usable condition.

- 6.13 DRED, at its own expense, shall be responsible for the appearance of all Trails and Facility Sites provided for public use by maintaining the Trails and Facility Sites in a good, clean and orderly condition and manner, and in such manner as not to be objectionable to BAYROOT or detract from the aesthetic values of the general area. DRED agrees to regularly patrol the Trails and Facility Sites, and to pick up and to dispose of all trash and debris resulting from the public's use of the Trails and Facility Sites.
- 6.14 DRED agrees that no structure or building (other than those trail structures, and parking and sanitary facilities, permitted under Section 5.2 above) will be constructed or erected on the Premises, and that no additional improvements will be made which would alter or injure the natural aesthetic quality of the surrounding area or the Premises' Current Use status.
- 6.15 DRED agrees that it will not make any strip or waste of any portion of the Premises.
- 6.16 DRED, at its own expense, shall be responsible for placing and maintaining necessary trail and facility signs along the Trails and at the Facility Sites so to adequately mark Trails and Facility Sites. All such signs shall be affixed to freestanding posts and shall not be nailed or otherwise attached to live trees.
- 6.17 DRED, at its own expense, shall erect signs supplied by BAYROOT that inform the public that private lands are being made available for public use and should be used with respect.

- 6.19 DRED shall be responsible for snow plowing and maintenance of Trail parking areas.
- 6.20 Any Trail maps published or otherwise made available through DRED for the use of the public shall be reviewed and approved by BAYROOT. Trail maps shall be kept current with revisions made at least annually.
- 6.21 In the event that the use of the Trails or Facility Sites as contemplated by this Agreement shall result in any increase in BAYROOT's real estate property taxes, or the assessment of any penalty for removal of the Trails' and/or Facility Sites' areas from Current Use, DRED shall promptly reimburse BAYROOT for all such costs upon BAYROOT providing proper documentation of such costs.

- 6.22 Any application of chemicals by DRED on land of BAYROOT shall be with the prior written approval of BAYROOT. DRED shall hold BAYROOT harmless from and against any and all claims, exactions, penalties, or legal actions resulting from acts by or for DRED to which this provision applies.

This covenant shall survive the termination of this Agreement.

7. Liability Provisions; Sovereign Immunity:

- 7.1 It is expressly understood that the parties intend this Agreement to be subject to the limitations of liability provisions set forth in New Hampshire RSA 212:34 and RSA 508:14.
- 7.2 Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State. This covenant shall survive the termination of this Agreement.

Upon the expiration of such notice of termination period, this Agreement shall terminate. No failure on the part of BAYROOT, or its successors or assigns, to enforce a forfeiture by DRED of this Agreement, or to terminate this Agreement for any default or breach by DRED of any agreement, condition or restriction herein contained, shall be construed as a waiver of the right to enforce a subsequent forfeiture or a subsequent default or breach of the same or any other agreement, condition or restriction herein contained.

8.2 Termination without Cause – This Agreement shall be subject to the right of either party hereto at any time during the term of this Agreement to terminate this Agreement by giving written notice to the other party hereto at least ninety (90) days prior to the effective date of the termination. Any such notice shall be sent by certified mail, return receipt requested, to the address of the party hereto being notified as specified below.

8.3 It is further understood and agreed, that at the termination of this Agreement, any buildings and all fixtures and personal property of DRED shall be removed from the Premises within ninety (90) day from the date of termination. BAYROOT, however, reserves the right to require that DRED shall remove the buildings within the 90 day period if it so demands.

9.2 BAYROOT may assign this Agreement, and this Agreement as so assigned shall be binding on and inure to the benefit of BAYROOT's successors and assigns.

10. Amendment:
