EXPLANATION

The Department requests authorization to accept this gift valued at \$1,460.00. Denis Goulet, Commissioner/CIO will participate as a panelist at the CIO Roundtable in Sea Island, GA. Texas Technology Consortium and the Center for Technology provide educational and networking opportunities among peers in a small, invitation-only venue. Texas Technology Consortium will cover all costs for Mr. Goulet to attend the Roundtable and serve as a panelist during the event.

According to past attendees, the value in attending is that it provides a forum where state executives choose the strategic issue topics that are most important to them and have the opportunity to discuss with their peers how they are addressing those, share best practices, and discuss hurdles that need to be overcome.

The event begins on Sunday, September 17, at 6 pm with a welcome reception and dinner. Monday, September 18, is an all-day Roundtable session and a teambuilding exercise followed by a reception and dinner. The Roundtable panel discussions conclude by noon on Tuesday, September 19, followed by an optional afternoon group outing and farewell dinner, which Mr. Goulet plans to attend. The final agenda for this year is not yet available. Previous agenda is attached for reference.

Denis Goulet will fly home on Wednesday, September 20. The information of the Gift Acceptance estimated cost is as follows:
