REQUESTED ACTION

Pursuant to the provisions of RSA 21-I: 43-a, Compensation for State Employees Injured in Line of Duty, finalize the determination made by the Commissioner of the Department of Health and Human Service that on July 24, 2014, Nicolle Sherman, a Licensed Nursing Assistant I at the Glencliff Home for the Elderly sustained an injury in the line of duty and due to a hostile or overt act, or an act caused by another during the performance of duties which are considered dangerous in nature, effective date of Governor and Council approval.

EXPLANATION

New Hampshire RSA 21-I: 43-a, Compensation for State Employees Injured in Line of Duty states:

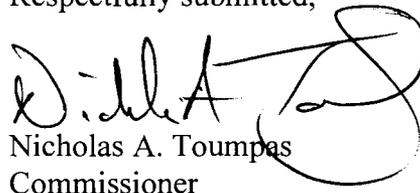

Any injury received by any state employee who is injured in the line of duty by a hostile act, or by an act caused by another during the performance of duties which are considered dangerous in nature, that requires the employee to be hospitalized or renders the employee temporarily unable to perform the duties of his or her position shall not be charged against annual leave or sick leave for the time lost due to the injury. During such time, the employee shall remain on the active payroll. In this event, no employee shall be terminated from state service until he or she has applied for disability retirement and a final decision on the application is made by the board of trustees of the New Hampshire retirement system and appeals of such decision, if any, are finalized; provided, that the employee shall make such application within 18 months of the injury contemplated by this section. **The executive head of the employee's agency shall make the determination as to whether an injury is in the line of duty and due to a hostile or overt act, or an act caused by another during the performance of duties which are considered dangerous in nature, and, after approval by the governor and council, the determination shall be final.** (emphasis added) During the time in which the injured employee remains on active payroll at full base salary pursuant to this section, his or her

state compensation shall not be offset by state workers' compensation payments and he or she shall not receive state workers' compensation payments to supplement his or her full base salary. Nothing in this section shall prohibit medical payments or final settlements.

Nicolle Sherman is a Licensed Nursing Assistant I who was injured in the line of duty and rendered temporarily unable to perform the duties of her position. On July 24, 2014 a resident at the Glenclyff Home for the Elderly assaulted Ms. Sherman causing injuries by striking her in the face and throwing her against a dresser. As a result of the injuries, Ms. Sherman required medical attention and was rendered unable to perform her duties beginning that day. She returned to work on July 28, 2014, was then medically taken out again from July 30, 2014 and returned August 4, 2014 working modified duties until her full return on October 2, 2014. In accord with NH RSA 21-I: 43-a Ms. Sherman's lost time has not been charged against her annual leave or sick leave and she has remained on the active payroll.

Following a thorough review of the July 24, 2014, incident and facts related to Nicolle Sherman's injury, the Commissioner of the Department of Health and Human Services determined on August 12, 2014, that Ms. Sherman's injuries were in the line of duty and due to a hostile or overt act, or an act caused by another during the performance of duties, which are considered dangerous in nature. Pursuant to RSA 21-I: 43-a, approval of this Request shall make Commissioner's determination final.

Respectfully submitted,

Nicholas A. Toumpas
Commissioner
