2018	072-509073	42140610	Grants-Federal	\$12,500
			Total:	\$50,000

Explanation

This request is **sole source** as Mr. Smith has operated as the Disproportionate Minority Contact Coordinator since 2011 and his experience in this capacity has allowed him to develop partnerships at local and State levels, which have made him instrumental in creating local Disproportionate Minority Contact teams, as well as providing training and education to law enforcement and community stakeholders.

Mr. Smith's personal experience in the realm of cultural diversity brings a perspective of cultural equality to local communities when working to build teams that deal directly with minority youth in contact with the juvenile justice system statewide. Continuity of staff, including the Disproportionate Minority Contact Coordinator, will enable the Department to form additional teams at the local level, which will assist communities in preventing disparity in the number of minority youth in contact with the

9 mac

juvenile justice system. Mr. Smith has established affiliations with local and State personnel, and is familiar with changes in New Hampshire demographics. Retaining Mr. Smith in this sole source contract will ensure local communities have access to a seasoned coordinator who understands the needs of local communities, the State and community stakeholders in relation to minority youth in contact with the juvenile justice system.

New Hampshire needs a Disproportionate Minority Contact Coordinator in order to obtain grant money available through the Formula Grants Program under Title II, Part B, of the Juvenile Justice and Delinquency Prevention Act. Non-compliance with the disproportionate minority contact requirements results in the federal Office of Juvenile Justice and Delinquency Prevention withholding federal funds until the federal office either approves the state's disproportionate minority contact plan on how to address noncompliance or until noncompliance is resolved. Withholding of grant funds at the federal level will subsequently affect the amount of funds that can be passed through to communities throughout New Hampshire to provide delinquency prevention and intervention programs.

The Disproportionate Minority Contact Coordinator works with the State Disproportionate Minority Contact team, a subcommittee of the State Advisory Group, and local Disproportionate Minority Contact teams to ensure continued compliance with federal requirements. Each local team has different issues and concerns with minority over representation. The Disproportionate Minority Contact Coordinator assists local teams in navigating through the issues of minority over representation in the juvenile justice system and provides guidance to local communities so they can address their respective concerns. The Disproportionate Minority Contact Coordinator is responsible for collaborating with local communities to address racial and ethnic disparity of minorities in contact with the juvenile justice system to ensure equal and fair treatment of all youth in the juvenile justice system, regardless of race and ethnicity. With the changing demographics within the State, Andrew Smith has assisted New Hampshire to continue being pro-active in educating teams, community groups and stakeholders throughout the state about disproportionate minority contact.

Contributing factors to disproportionate minority contact are multiple and complex. Reducing disparity of minority youth in contact with the juvenile justice system requires comprehensive and multi-pronged strategies that include programmatic and systems change efforts. The federal Office of Juvenile Justice and Delinquency Prevention requires all states collect, report and use data to inform their administration of grant funds available to improve program performance. Participating states are required to identify the extent to which disproportionate minority contact exists, assess the reasons for disproportionate minority contact, develop and implement systems improvement strategies, as well as evaluate and monitor the effectiveness of chosen strategies.

The Federal Office of Juvenile Justice and Delinquency Prevention administers the Formula Grants Program under Title II, Part B, of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended in 1988 and 1992 and reauthorized by Congress in 2002 [42 U.S.C. 5633, Section 22 State Plans 28c (1), (2) and (2-A)]. This Act requires states to address disproportionate minority contact to ensure equal and fair treatment for every youth in the juvenile justice system, regardless of race or ethnicity. Specifically, this act requires states to develop and implement plans to reduce the proportion of minority youth across the nine (9) decision points of the juvenile justice system – from arrest to transfer to adult court if they exceed the percentage of minority youth in the general population.

The Department of Health and Human Services formed a search committee for a Disproportionate Minority Contact Coordinator in 2010. This committee, comprised of law enforcement, city and state personnel, received seventy-three (73) vendor responses to statewide advertisement. Andrew Smith was selected as the top vendor due to his experience and knowledge of issues relative to cultural sensitivity and diversity, as well as his private and public sector training experience specific to cultural sensitivity and diversity at the local, national and international levels.

The Department anticipates publishing a request for proposals for these services to be effective October 1, 2017.

Should the Governor and Executive Council not approve this contract, the State of New Hampshire may be found in noncompliance with the Juvenile Justice and Delinquency Prevention Act [42 U.S.C. 5633, Section 22 State Plans 28c (1), (2) and (2-A)], which was reauthorized by Congress in 2002, resulting in the opportunity to secure federal grants that would benefit local communities.

Area Served: Statewide

Source of Funds: 100% Federal Funds

In the event that the Federal Funds become no longer available, additional General Funds will not be requested to support this contract.

Respectfully submitted,

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
 - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

 - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
 - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
 - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
