

Ballot Law Commission
Care of William M. Gardner, Secretary of State of N.H.

Dear Sir,

I was a candidate for Sate Representative from the Fourth District of Strafford County in the 11/03/98 election. I am delivering this letter by hand on 11/16/98 to request an appeal to the Ballot Law Commission pursuant to RSA 665:6,II. The basis for this appeal includes but is not limited to extraneous markings that appear on many ballots and on the significant disparity in the original vote count.
