Public: - Elaine French who is running for District 14 State Rep came before the board. She is new to the political field. Elaine was a teacher at Lisbon Regional School until 2008 so she has a soft spot for Lisbon. She provided each board member a little back ground information about herself. Elaine stated she is proponent of a Family-Friendly Economy which includes paid family leave insurance, all day kindergarten, and affordable health care. If elected she is looking to negotiate and compromise. She

Audrey Champagne stated that two weeks ago the ambulance was inspected and the inspection went well. She stated that even though the inspection went well they have new requirements. One of the requirements is that they have two sets of 1.0 needles. Audrey stated that they use these needles quite frequently for patients. If they purchase the needles in bulk it is cheaper than purchasing as singles. Purchasing as singles they are \$100.00 apiece. Audrey stated that they would like to purchase the needles out of the 2012 Lisbon Life Squad Revolving Equipment Fund and they will purchase in bulk so the total will be \$1,100.00. Brian Higgins made a motion to accept the purchase of needles and Arthur Boutin seconded the motion. All were in favor of the motion. Scott Champagne (Chair) recused himself of the vote.

Audrey Champagne also presented the board with another invoice which was for blinds for the station. She used the site blinds.com. There are 12 windows in the new building and the blinds that they would like are light blocking and double cell which will help with keeping heat in. Arthur Boutin made a motion to pay the invoice for blinds and Brian Higgins seconded the motion. All were in favor of the motion. Scott Champagne (Chair) recused himself of the vote.

Audrey Champagne (Treasurer) provided the board with an invoice from Presby Construction in reference to the EOC/ Fire/EMS building. The invoice states they are 74% complete and the total of the invoice is \$200,128.00. Brian Higgins made a motion to accept and pay the invoice to Presby Construction in the amount of \$200,128.00 and Arthur Boutin seconded the motion. All were in favor of the motion. Scott Champagne (Chair) recused himself of the vote.

Audrey Champagne presented the board with grant paperwork. The paperwork is for the EOC Generator. The total cost of the project is \$62,706.00. Audrey stated that because the grant is over \$10,000.00 it will need to go to Governors in Council and the money won't be available until the second week of January. The town is responsible for a 50% match (which the match already exists because all of the money that has been put towards the building). The Town of Lisbon Board of Selectmen voted to accept the terms of the Emergency Management Performance Grant as presented in the amount of \$31,353.00 for the purchase and installation of the generator at the Town's Emergency Operations Center. The board does acknowledge that the total cost of the project is \$62,706.00 in which

the town is responsible for a 50% match which is the amount of \$31,353.00. Arthur Boutin made a motion to accept the grant in the amount of \$31,353.00 and Brian Higgins seconded the motion. All were in favor of the motion. Scott Champagne (Chair) recused himself of the vote.

Audrey Champagne presented the board with another grant. This grant is for the Local Emergency Operations Plan Update and EOC Equipment. Audrey stated that she had spoken with Samantha Ward (EMPG Coordinator) about combining the two grants. Audrey stated that because this grant is under \$10,000.00 it does not need to be sent to Governor's in Council. This grant is for equipment and updating of plans. Audrey stated that combining the two makes a total of \$9,500.00. The Town of Lisbon Board of Selectmen voted to accept the terms of the Emergency Management Performance Grant as presented in the amount of \$9,500.00 to update the community's Local Emergency Operations Plan and to purchase and install tables, chairs and equipment to support Wi-Fi access and a computer power supply for the local Emergency Operations Center. The board acknowledged that the total cost of the project is \$19,000.00 and that the town is responsible for a 50% match of \$9,500.00. Arthur Boutin made a motion to accept the LEOP and EOC equipment grant in the amount of \$9,500.00 and Brian Higgins seconded the vote. All were in favor of the vote. Scott Champagne (Chair) recused himself of the vote.

Audrey Champagne came before the board and stated that there has been a lot of miss communication in dealing with the grants and that she was just informed that the Equipment Grant has had a cap placed on it so the maximum amount is \$40,000.00. Audrey stated that she has been in touch with the town's area rep (Paul Hatch) and they believe they were given a waiver and that the town still qualifies for the entire amount not the capped amount as that just took effect in October and Audrey had the grant submitted back in September. Paul Hatch believes that a written letter should be submitted in which he and Audrey will write. That being said Audrey stated they are lacking roughly \$7,100.00 to get the antenna in and up before snow along with the wi-fi and a few other items needed to be operational. Audrey was wondering if it is possible for the selectboard to approve the money out of the unanticipated revenue. The board had a discussion and asked that the Auditors be contacted to see what the correct way is to go about this.

Updates: Arthur Boutin (selectboard member) stated that a citizen had contacted him in reference to using the town hall to distribute clothes on

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
