### EXPLANATION

In the case of *Jane Doe vs. Commissioner of the New Hampshire Department of Health and Human Services* (Merrimack No. 2020-0454), the Supreme Court ruled the Department is mandated by RSA 135-C:28 to provide for probable cause hearings within three (3) days of when an involuntary emergency admission certificate is completed. This request is **Retroactive** because the Department needed to immediately expand bed capacity to admit an additional patient on March 8, 2022.

The purpose of this request is for the Contractor to continue providing long term care beds exclusively for individuals transferring from New Hampshire Hospital and Glenciff Home who are in need of long term care. The Department will pay the Contractor \$45,000 for each bed made available exclusively for individuals transferred from New Hampshire Hospital or Glenciff Home for a minimum of one (1) year. The Contractor will also receive a per diem rate of \$289.12 for admitted patients who are not eligible for Medicaid.

These contracts allow the Department to transfer individuals from New Hampshire Hospital and Glenciff Home. These transfers increase capacity for new admissions at both New Hampshire Hospital and Glenciff Home and decrease the number of individuals waiting at emergency rooms across the State, enabling the Department to comply with the recent Supreme Court ruling.

The Contractor will serve approximately four (4) individuals through May 31, 2023.

The Department will continue to monitor services by reviewing the bed vacancy reports provided by the Contractor.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the original contract, the parties have the option to extend the agreement for up to one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval. The Department is exercising the option to renew the existing contract listed in **bold** above for the one (1) year available.

Should the Governor and Executive Council not authorize this request, the State will not have sufficient bed capacity necessary to be in compliance with the Supreme Court's ruling, which could result in individuals not receiving probable cause hearings in accordance with NH RSA 135-C:28.

Source of Federal Funds: American Rescue Plan Act of 2021, Assistance Listing Number #TBD, FAIN #TBD.

The Department will request General Funds in the event that Federal Funds are no longer available and services are still needed.

Respectfully submitted,

  
Lori A. Shibinette  
Commissioner

### EXPLANATION

This request is **Retroactive** because the Supreme Court of New Hampshire's ruling in the case of *Jane Doe vs. Commissioner of the New Hampshire Department of Health and Human Services* (Merrimack No. 2020-0454) required the Department to take immediate action. Specifically, the Supreme Court ruled the Department is mandated by RSA 135-C:28 to provide for probable cause hearings within three (3) days of when an involuntary emergency admission certificate is completed. Consequently, the Department needed to immediately enter into newer contracts to further comply with the ruling and expedite transitions from New Hampshire Hospital and Glenclyff Home.

A portion of this request is **Sole Source** because the Department did not have adequate time to conduct a formal competitive bid process. Further, Governor Sununu's Executive Order 2021-09 directed the Department to expand the number of designated receiving facility beds on an expedited basis. The Department engaged in conversations with providers to identify organizations with capacity to immediately stand up long term care beds.

A portion of this request is to continue providing long term care beds exclusively for individuals transferring from New Hampshire Hospital and Glenclyff Home who are in need of long term care stays by exercising renewal options to existing contracts.

The purpose of this request is to increase the number of long term care beds for individuals transferred from New Hampshire Hospital or Glenclyff Home who are in need of long term care. The Department will pay the Contractors \$45,000 for each bed they make available exclusively for individuals transferred from New Hampshire Hospital or Glenclyff Home for a minimum of one (1) year. The Contractors will also receive per diem rate of approximately \$289.12/day for admitted patients who are not eligible for Medicaid.

These contracts allow the Department to transfer approximately thirty-seven (37) individuals from New Hampshire Hospital and Glenclyff Home. Transferring individuals will increase the Department's capacity for new admissions at both New Hampshire Hospital and Glenclyff Home, which will decrease the number of individuals waiting at emergency rooms across the State and bring the Department into compliance with the recent Supreme Court ruling.

New Hampshire Hospital operates an elderly unit to provide short-term acute care of elderly individuals who experience mental illness. During the COVID-19 pandemic, this unit has been required to provide additional long-term care due to the lack of alternative bed options, with average length of stay now lasting more than one (1) year. Many of these patients have stable psychiatric conditions but continue to need supportive care in a long term care environment.

Approximately thirty-seven (37) individuals will be served through May 31, 2023.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached contracts, the parties have the option to extend the agreements for up to one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval. The Department is exercising the option to renew existing contracts listed in **bold** above for the one (1) year available. The Department will have the option to renew services for one (1) additional year for the contractors listed in *italics*, above, contingent upon satisfactory delivery of services, available, funding, agreement of the parties and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department will not be in compliance with the Supreme Court's recent ruling, which could result in individuals not receiving probable cause hearings in accordance with NH RSA 135-C:28.

#### EXPLANATION

This request is **Retroactive** because the Supreme Court of New Hampshire's ruling in the case of *Jane Doe vs. Commissioner of the New Hampshire Department of Health and Human Services* (Merrimack No. 2020-0454) required the Department to take immediate action. Specifically, the Supreme Court ruled the Department is mandated by RSA 135-C:28 to provide for probable cause hearings within three (3) days of when an involuntary emergency admission certificate is completed. Consequently, the Department needed to immediately enter into contracts to comply with the ruling and expedite transitions from New Hampshire Hospital and Glenciff Home, which have been delayed due to the COVID-19 pandemic.

This request is **Sole Source** because the Department did not have adequate time to conduct a formal competitive bid process. Further, Governor Sununu's Executive Order 2021-09 directed the Department to expand the number of designated receiving facility beds on an expedited basis. The Department reached out to the provider community and engaged in conversations to identify those organizations that were willing and possess the capacity to immediately stand up long term care beds.

New Hampshire Hospital operates an elderly unit to provide short-term acute care of elders who also experience mental illness. During the COVID-19 pandemic, this unit has been required to provide additional long-term care due to the lack of alternative bed options, with average length of stay now lasting more than one (1) year. Many of these patients have stable psychiatric conditions but continue to need supportive care in a long term care environment.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 3 of 3

The purpose of this request is to increase the number of long term care beds at nursing facilities and assisted living facilities to receive individuals discharged from New Hampshire Hospital and/or Glenclyff Home. To assist in the development of these beds, the Department will pay the Contractors \$45,000 for each bed they make available exclusively for individuals discharged from New Hampshire Hospital or Glenclyff Home for a minimum of one (1) year. The Contractors will also receive per diem rate of \$289.12 for admitted patients who are not eligible for Medicaid. These contracts will allow the Department to transfer approximately twenty (20) individuals from New Hampshire Hospital and Glenclyff Home. This will increase the Department's capacity for new admissions at both New Hampshire Hospital and Glenclyff Home, which will decrease the number of individuals waiting at emergency rooms across the State and bring the Department into compliance with the recent Supreme Court ruling.

Approximately 27 individuals will be served through May 31, 2022.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, of the attached contracts, the parties have the option to extend the agreements for up to one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, the Department will be out of compliance with the Supreme Court's recent ruling and individuals may continue to not receive probable cause hearings in accordance with RSA 135-C:28.

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

This provision shall survive termination of this Agreement.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

**9. TERMINATION.**

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

- 11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- 12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**
