	<u>FY 2014</u>
01-02-02-024010-65700000	
073-500581 Grants Non Federal	\$10,874.00

EXPLANATION

The Targeted Block Grant (TBG) Program was established in the 1980's to allocate funds designated for the regional planning commissions in OEP's budget to provide planning assistance to municipalities and to implement regional planning activities. This contract is sole source pursuant to RSA 4-C:8, which authorizes OEP to provide technical assistance through financial grants to each of the nine regional planning commissions in the state. Regional planning commissions were established by the state in 1968 and play an important role in the coordination of planning efforts between the state, regional and local levels.

This funding will enable SWRPC to provide technical assistance to municipal land use boards, and support a number of local and regional planning projects. Projects include the development of the regional plan and an update to the Comprehensive Economic Development Strategy (CEDS) for the region.

Sincerely,

Meredith A. Hatfield
Director

In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only; Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
