

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**Requested Action – Award a Grant**

Authorize the Community Development Finance Authority (CDFA), under the Community Development Block Grant (CDBG) program, to award a grant to the Town of Allenstown, 16 School Street, Allenstown, New Hampshire, in the amount of \$500,000 to be used to support to the Boys and Girls Clubs of Greater Concord with its new facility construction on town land in Allenstown, upon Governor and Council approval for the period effective May 27, 2015 through December 31, 2016. **100% federal funds.**

**Explanation**

The Town of Allenstown is requesting CDBG funds on behalf of the Boys and Girls Clubs of Greater Concord to be used to support the removal of existing modular classrooms and construction of a new facility to house and expand the Suncook Boys and Girls Club. The current space does not meet the need for the club in Suncook, which does not currently offer any licensed child care slots. The club currently serves 160 children annually on a license-exempt basis because the club does not meet the square-footage per child licensing standards. The new facility will increase membership to 250 children, a projected 83 from low- and moderate-income families.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFA is administering this program as provided by RSA 162-L. The funds for this contract are from the Community Development Block Grant Fund, which is intended to help municipalities solve development problems.

Sincerely,

Taylor Caswell  
Executive Director

Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

#### 14 TERMINATION: REMEDIES

- 14.1 Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and

notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

- 14.2 Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.
- 14.3 Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.
- 14.4 Limitation on Grantee Liability for Award Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or gross negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. The parties agree that, notwithstanding any contrary provisions in this Agreement or the Subrecipient Agreement, the term "good faith efforts" expressly include the ability of Grantee to locate a different Subrecipient, if the Boys and Girls Clubs of Greater Concord is unable or unwilling to perform its obligations under the Subrecipient Agreement. Any replacement Subrecipient must be approved by Grantor for the sole purpose of verifying that it will serve a low- and moderate-income population, and such approval shall not be unnecessarily withheld. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.
- 14.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Pledge, Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any pledge, loan, mortgage or other security, or in curing any Event of Default.
- 14.6 Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant

Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

#### 15. ADDITIONAL GRANT REQUIREMENTS

- 15.1. Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant funds. - 15.3. Grantee shall submit to CDFA all required documentation of Low- and Moderate-Income benefit in accordance with the reporting requirements of the Subrecipient Agreement. The information shall be provided on the Periodic Progress Report, as found in the Community Development Block Grant Program (CDBG) Implementation Guide.
- 15.4. In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreement or the Pledge to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Pledge. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Pledge obligations or in curing any Event of Default thereunder.
- 15.5. CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.
- 15.6. Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.
- 15.7. Lobbying. Grantee certifies that:
  - 15.7.1.   - 15.7.2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall

complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.7.3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subrecipients, and contracts under grants, loans, and cooperative agreements) and that all Subrecipient's shall certify and disclose accordingly.

15.8. Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

15.8.1. By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

**NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES**

Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6. Up to \$475,000 of Grant Funds may be applied by Grantee for costs related to the Project Activity.

The Town of Allenstown is requesting \$500,000 in CDBG funds on behalf of the Boys & Girls Club of Greater Concord (BGCGC) in order to construct a new facility to house and expand the Suncook Boys & Girls Club.

The “Addison Martin Boys Club” was founded in 1944 and incorporated as the Concord Boys Club in 1963, as an affiliate of the Boys Clubs of America. In 1987, they were the first Boys Club in the nation to add “& Girls” to their name, and they continue to be inclusive and adaptive to fulfill their mission to inspire and enable young people to reach their full potential.

Over the past decade, the club expanded into four towns, turning around failing school-aged childcare programs in Suncook, Hopkinton and Warner and, most recently, opening a site in Franklin. They have been invited to launch programs at two elementary schools in Concord. Since 2002, the club has been operating the Suncook Boys & Girls Club out of two temporary modular classrooms.

The current space does not meet the need for the club in Suncook, which does not currently offer any licensed child care slots. The club currently serves 160 unduplicated members annually on a license-exempt basis because the club doesn’t meet the square-footage per child to meet to meet licensing standards. A new facility will allow the club to offer 125 licensed spots and increase membership to 250. Of those proposed slots, 83 are projected to be filled by children from low- and moderate-income families.

Statistics indicate that the availability of affordable child care will increase economic prospects for low-income and impoverished youth and that this project will contribute to the economic development of New Hampshire by better preparing its future workforce. In addition, statistics show that 90% of Boys & Girls Club members will graduate from high school and 60% will matriculate into college or trade school.

The project involves removal of the portable classrooms, building a permanent, 8,500 square foot facility and improvement of the surrounding park area. The new facility will contain a multi-purpose cafetorium, program rooms, and recreation space that will improve access to homework assistance, life skills programming, leadership development, and fitness and recreation. The Town of Allenstown owns the land and will own and maintain the building. BGCGC will operate the programs, with a 99-year lease to operate from the Town.

CDBG Funds would be used for construction costs associated with the removal of the existing classrooms and construction of the new building. The total cost of the project is estimated to be \$1,060,000. Matching funds in the amount of \$560,000 have been committed in the form of tax credits from CDFA.
