DEPARTMENT OF SAFETY
OFFICE OF THE COMMISSIONER
33 HAZEN DR. CONCORD, NH 03305
603/271-2791

JOHN J. BARTHELMES
COMMISSIONER

December 7, 2018

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) requests authorization to enter into a grant agreement with the Town of Marlow (VC#159902-B001) for a total amount of \$123,832.50 for implementation of projects identified through the evaluation of natural hazards. Effective upon Governor and Council approval through June 1, 2021. Funding source: 100% Federal Funds.

Funding is available in the SFY 2019 operating budget as follows:

02-23-23-236010-29200000	Dept. of Safety	HSEM	Hazard Mitigation Grant Program
072-500574	Grants-Federal – Grants to Local Gov't – Federal		
Activity Code: 23DR4316HM			\$123,832.50

Explanation

The Town of Marlow proposes to remove the existing 60" diameter culvert on Baine Road and replace it with a larger precast concrete box culvert with associated concrete headwalls, cutoff walls, and wing walls. The inlet and outlet of the proposed structure will be stabilized with native streambed materials and stone fill on the slopes. This will significantly increase the hydraulic opening and greatly reduce the occurrences of water overtopping and closing the road. The Hazard Mitigation Grant Program (HMGP) provides funding to states and communities (subrecipients) for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. Federal Emergency Management Agency (FEMA) provides HMGP funds to states that, in turn, provide sub-grants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. The program cost share is 75% Federal funds and a 25% applicant match. The sub-applicants will provide and document the program match requirements.

The State of New Hampshire solicits applications statewide. Notification of the availability of HMGP funds is made to every community by e-mail to the emergency management directors, floodplain administrators, and additional community officials for each community. The State of New Hampshire submits all applications received for program funding to the Federal Emergency Management Agency for their final approval. Applications that are determined to be cost effective and program eligible are then funded by FEMA in full 75%; not every application submitted is determined to be program eligible. However, all applications that are determined to be eligible are funded at the requested dollar amount listed in their application, pending availability of adequate program funding.

There are no General Funds required with this request. In the event that HMGP funds become no longer available, General Funds and/or Highway Funds will not be requested to support this program

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. **CONDITIONAL NATURE OR AGREEMENT.** Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

11. **EVENT OF DEFAULT: REMEDIES.**

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. **TERMINATION.**

12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

14. **SUBRECIPIENT'S RELATION TO THE STATE.** In the performance of this Agreement the Subrecipient, its employees, and any subcontractor or subgrantee of the Subrecipient are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
 15. **ASSIGNMENT AND SUBCONTRACTS.** The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in Exhibit A without the prior written consent of the State.
 16. **INDEMNIFICATION.** The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
 17. **INSURANCE AND BOND.**
 - 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

 - 17.2. The policies described in subparagraph 17.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
 18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
 19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.
