GORDON J. MACDONALD
ATTORNEY GENERAL

JANE E. YOUNG
DEPUTY ATTORNEY GENERAL

July 21, 2020

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Your Excellency and Members of the Council

REQUESTED ACTION

Authorize the Department of Justice to enter into subgrants with the subgrantees listed below, **retroactive** to July 1, 2020, in the total amount of \$22,118, from the US Department of Health and Human Services, Administration for Children & Families, Children's Justice Act Grant, to enhance the State's response to child abuse and neglect victims, effective upon approval of the Governor and Executive Council to September 30, 2020.

FY 2021 funding is available as follows: 02-20-20-201510-4460, Children's Justice Act Grant:

<u>Class</u>	<u>Subgrantee</u>	<u>Vendor #</u>	<u>Amount</u>
072-500575	Granite State Children's Alliance	172495-B001	\$13,808
072-500575	Court Appointed Special Advocates of NH	156690-B001	\$8,310
		Total:	<u>\$22,118</u>

EXPLANATION

This request is **retroactive** because, as described in the following paragraphs, a decision was made to cancel the statewide and regional in-person training sessions for individuals handling child abuse and/or neglect cases. These trainings were scheduled to take place in September 2020 but were canceled in light of the current COVID-19 pandemic. Therefore, the federal funds earmarked for these trainings needed to be re-directed. Once the trainings were canceled, the Department of Justice (DOJ) moved quickly to create and issue a Request for Application (RFA) designed to meet the emergent needs agencies involved in processing child

abuse and/or neglect cases are facing amid the COVID-19 pandemic. This grant expires September 30, 2020. Therefore, and in order to maximize the effectiveness of the funding, this requested action is retroactive to July 1, 2020.

The goal of the Children's Justice Act Grant (CJA) is to improve systems and processes of child abuse and/or neglect cases. These improvements include, but are not be limited to, assessments, investigations, prosecutions, or the judicial handling of child abuse and/or neglect cases. The main intent is to minimize trauma to the child or children involved in the case.

Two non-profit organizations were chosen to receive the re-directed funds.

The Granite State Children's Alliance (GSCA), Bedford NH, is the membership organization for all Child Advocacy Center (CAC) programs in the state. They also operate four CACs (Manchester, Nashua, Keene and Laconia). CACs are critical to the multidisciplinary investigation of child abuse and neglect cases and must remain open during the COVID-19 pandemic. GSCA will use these funds to assist with rent and utilities for its four CACs in order to sustain these essential operations.

Court Appointed Special Advocates (CASA) of New Hampshire, Manchester NH, serves as Guardians ad Litem (GAL) for abused and neglected children throughout the state. CASA will use these funds to support its efforts in recruiting and training new GALs. It is anticipated that as social distancing restrictions are lifted, the number of child abuse and neglect reports will exponentially increase. CASA is anticipating the need for additional trained advocates to respond to these cases and is increasing efforts to recruit and train more advocates to fulfill this need.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Gordon J. MacDonald
Attorney General

The State shall have no liabilities to the Subrecipient other than the Grant Amount.
- 5.5. Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.
6. COMPLIANCE BY SUBRECIPIENT WITH LAWS AND REGULATIONS. In connection with the performance of the Project, the Subrecipient shall comply with all statutes, laws, regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Subrecipient, including the acquisition of any and all necessary permits.

- 9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.
- 9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.
- 9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.
10. CONDITIONAL NATURE OF AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.
11. EVENT OF DEFAULT: REMEDIES.
- 11.1. Any one or more of the following acts or omissions of the Subrecipient shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

- 11.2.1 Give the Subrecipient a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Subrecipient notice of termination; and
- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice of default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.
13. CONFLICT OF INTEREST. No officer, member of employee of the Subrecipient, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her

Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. **ASSIGNMENT AND SUBCONTRACTS.** The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in Exhibit A without the prior written consent of the State.
16. **INDEMNIFICATION.** The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE AND BOND.**
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:
- 17.1.1 Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Project, and
- 17.1.2 Comprehensive public liability insurance against all claims of bodily injuries, death or property damage; in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, to a United States Post Office addressed to the parties at the addresses first above given.
20. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Council of the State of New Hampshire, if required or by the signing State Agency.

2021CJA01
SPECIAL CONDITIONS

1. *Human Trafficking Provisions.* These awards are subject to the requirements of Section 106(g) of the "Trafficking Victims Protection Act of 2000" (22 U.S.C. 7104). The full text of this requirement is found at <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>.
2. *Mandatory Disclosures.* These awards are subject to the requirements in 31 U.S.C. 3321, 41 U.S.C. 2313, and provisions found in Federal regulations at 45 CFR §75.113 and Appendix XII of this part, and 2 CFR Parts 180 and 376 for debarment and suspension. Non-Federal entities must disclose all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to comply may result in any noncompliance remedies, including debarment and suspension. ACF is required to review and consider information about any current or potential recipient, subrecipient, contractor, or subcontractor contained in the Federal Awardee Performance and Integrity Information System (FAPIIS) (<https://www.fapiis.gov>) and System for Award Management (SAM). Non-Federal entities may review and comment on any information about itself that has been entered into FAPIIS. ACF will consider any comments by the non-Federal entity, in addition to other information in FAPIIS to judge the grant recipients integrity, business ethics, and record of performance under Federal awards when completing its review of risk.
3. *Posting Federally Funded Disclaimer Language on Documents.* In accordance with Section 505 of Public Law 115-31, the Consolidated Appropriations Act of 2017 is applicable to the mandatory grant programs. "When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all recipients receiving Federal funds included in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state (1) the percentage of the total costs of the program or project which will be financed with Federal money, (2) the dollar amount of Federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources."
4. *Salary Limitation – Federal Executive Level II.* Federal funds for these grant programs consistently include a provision as part of the Consolidated Appropriations Act (e.g., Public Law 115-31, May 5, 2017) from Congress that the amount that "shall be used to pay the salary of an individual, through a grant or other extramural mechanism" including non-federal share, must not exceed the amount of the Federal Executive Level II salary for that calendar year. This amount is published annually by the U.S. Office of Personnel Management and can be found on their website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2017/executive-senior-level> under the "Rates of Pay for the Executive Schedule" link. This amount reflects an individual's base salary

exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties of the non-Federal entities organization. This salary limitation also applies to subawards, contracts, and subcontracts under an ACF grant or cooperative agreement.

5. *Smoking Prohibitions.* In accordance with Title XII of Public Law 103-227, the "PRO-KIDS Act of 1994," smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs whether directly or through State, Territories, local and Tribal governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, subawards, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.
6. *Micro-purchase and Simplified Acquisition Threshold for Financial Assistance.* "Due to statutory changes set forth in the National Defense Authorization Act for Fiscal Year 2018, which became law on December 12, 2017, the threshold for micro-purchases is now set at \$10,000, and the threshold for simplified acquisition is now \$250,000. In accordance with 41 U.S.C. § 1902(f), changes to the thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR). However, pursuant to 2 CFR §200.102, OMB has issued an exception to allow grantees [recipients] to use these higher thresholds in advance of revisions to the FAR at 48 CFR Subpart 2.1 and the Uniform Guidance. Further, the National Defense Authorization Act for Fiscal Year 2017, which became law on December 23, 2016, establishes a uniform process by which institutions of higher education, or related or affiliated nonprofit entities, nonprofit research organizations or independent research institutes can request a micro-purchase threshold above \$10,000. Prior to requesting a higher threshold, please contact the Grants Management Specialist (GMS) identified on your Notice of Award (NoA) or award letter for instructions to submit the request."
7. *Tangible Property Report (SF-428s), OMB Control No. 4040-0018.* Recipients and subrecipients that purchase any tangible personal property (e.g., equipment with a unit cost of \$5,000 or more and residual supplies with an aggregate fair market value exceeding \$5,000) are required to submit the OMB approved Tangible Personal Property form SF-428. The SF-428 is a standard form used to collect information related to tangible personal property. All mandatory grant programs are required to submit the SF-428s. Recipients are required to submit the forms on behalf of subrecipients.
8. *Audits.* Any non-Federal subrecipient that expends Federal funds totaling \$750,000 or more during the course of its fiscal year must arrange for a financial audit in compliance with the requirements of 45 CFR Part 75 Subpart F.
 - a. *For-profit subrecipients.* Unless stated otherwise in regulation or guidance, Subpart F does not apply to for-profit subrecipients. At a minimum, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit

subrecipient's compliance responsibility. Methods to ensure compliance requirements for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. Please see 45 CFR §75.352 and §75.501(h).

9. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
10. Equipment purchased with these funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal funds, and location. The Subrecipient agrees that the title to any equipment purchased with the funds will revert back to the NHDOJ, Grants Management Unit, when it is no longer being used for the program purposes for which it was acquired.
11. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the NHDOJ, Grants Management Unit.
12. Subrecipients of federal funding from the NHDOJ are required to comply with all federal regulations that relate to non-discrimination. These requirements are specified in United States Code of Federal Regulation Title 28, sections 35, 38, 42 and 54. Individuals who believe they may have been discriminated against by the NHDOJ or by an organization that receives federal funding from the NHDOJ based on their race, color, national origin, religion, sex, disability, age, sexual orientation or gender identity should print and complete a Discrimination Complaint Form found at <https://www.doj.nh.gov/grants-management/civil-rights.htm>.
13. The Subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the Subrecipient's website, or the NHDOJ's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
14. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NHDOJ: 1) affirmatively asserting that the subrecipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
 - A copy of the organization's 501 (c) 3 designation letter, or:
 - A letter from the State of NH stating that the Subrecipient is a non-profit organization operating within the state, or:

EXHIBIT D
Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Granite State Children's Alliance (Applicant) certifies that any funds awarded through grant number 2021CJA01 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Granite State Children's Alliance (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

4. ENVIRONMENTAL TOBACCO SMOKE

The Pro-Children Act of 2001, 42 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where Federally-funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the

routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children's services provided in private residences; facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.
12. TERMINATION.
- 12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.
- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.

EXHIBIT C

-SPECIAL PROVISIONS-

- 1: Subrecipients shall also be compliant at all times with the terms, conditions and specifications detailed in the Special Conditions, which are subject to annual review.

EXHIBIT C

2021CJA02
SPECIAL CONDITIONS

1. *Human Trafficking Provisions.* These awards are subject to the requirements of Section 106(g) of the "Trafficking Victims Protection Act of 2000" (22 U.S.C. 7104). The full text of this requirement is found at <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>.
2. *Mandatory Disclosures.* These awards are subject to the requirements in 31 U.S.C. 3321, 41 U.S.C. 2313, and provisions found in Federal regulations at 45 CFR §75.113 and Appendix XII of this part, and 2 CFR Parts 180 and 376 for debarment and suspension. Non-Federal entities must disclose all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to comply may result in any noncompliance remedies, including debarment and suspension. ACF is required to review and consider information about any current or potential recipient, subrecipient, contractor, or subcontractor contained in the Federal Awardee Performance and Integrity Information System (FAPIIS) (<https://www.fapiis.gov>) and System for Award Management (SAM). Non-Federal entities may review and comment on any information about itself that has been entered into FAPIIS. ACF will consider any comments by the non-Federal entity, in addition to other information in FAPIIS to judge the grant recipients integrity, business ethics, and record of performance under Federal awards when completing its review of risk.
3. *Posting Federally Funded Disclaimer Language on Documents.* In accordance with Section 505 of Public Law 115-31, the Consolidated Appropriations Act of 2017 is applicable to the mandatory grant programs. "When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all recipients receiving Federal funds included in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state (1) the percentage of the total costs of the program or project which will be financed with Federal money, (2) the dollar amount of Federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources."
4. *Salary Limitation – Federal Executive Level II.* Federal funds for these grant programs consistently include a provision as part of the Consolidated Appropriations Act (e.g., Public Law 115-31, May 5, 2017) from Congress that the amount that "shall be used to pay the salary of an individual, through a grant or other extramural mechanism" including non-federal share, must not exceed the amount of the Federal Executive Level II salary for that calendar year. This amount is published annually by the U.S. Office of Personnel Management and can be found on their website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2017/executive-senior-level> under the "Rates of Pay for the Executive Schedule" link. This amount reflects an individual's base salary

exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties of the non-Federal entities organization. This salary limitation also applies to subawards, contracts, and subcontracts under an ACF grant or cooperative agreement.

5. *Smoking Prohibitions.* In accordance with Title XII of Public Law 103-227, the "PRO-KIDS Act of 1994," smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs whether directly or through State, Territories, local and Tribal governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, subawards, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.
6. *Micro-purchase and Simplified Acquisition Threshold for Financial Assistance.* "Due to statutory changes set forth in the National Defense Authorization Act for Fiscal Year 2018, which became law on December 12, 2017, the threshold for micro-purchases is now set at \$10,000, and the threshold for simplified acquisition is now \$250,000. In accordance with 41 U.S.C. § 1902(f), changes to the thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR). However, pursuant to 2 CFR §200.102, OMB has issued an exception to allow grantees [recipients] to use these higher thresholds in advance of revisions to the FAR at 48 CFR Subpart 2.1 and the Uniform Guidance. Further, the National Defense Authorization Act for Fiscal Year 2017, which became law on December 23, 2016, establishes a uniform process by which institutions of higher education, or related or affiliated nonprofit entities, nonprofit research organizations or independent research institutes can request a micro-purchase threshold above \$10,000. Prior to requesting a higher threshold, please contact the Grants Management Specialist (GMS) identified on your Notice of Award (NoA) or award letter for instructions to submit the request."
7. *Tangible Property Report (SF-428s), OMB Control No. 4040-0018.* Recipients and subrecipients that purchase any tangible personal property (e.g., equipment with a unit cost of \$5,000 or more and residual supplies with an aggregate fair market value exceeding \$5,000) are required to submit the OMB approved Tangible Personal Property form SF-428. The SF-428 is a standard form used to collect information related to tangible personal property. All mandatory grant programs are required to submit the SF-428s. Recipients are required to submit the forms on behalf of subrecipients.
8. *Audits.* Any non-Federal subrecipient that expends Federal funds totaling \$750,000 or more during the course of its fiscal year must arrange for a financial audit in compliance with the requirements of 45 CFR Part 75 Subpart F.
 - a. *For-profit subrecipients.* Unless stated otherwise in regulation or guidance, Subpart F does not apply to for-profit subrecipients. At a minimum, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit

subrecipient's compliance responsibility. Methods to ensure compliance requirements for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. Please see 45 CFR §75.352 and §75.501(h).

-
9. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.
 10. Equipment purchased with these funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal funds, and location. The Subrecipient agrees that the title to any equipment purchased with the funds will revert back to the NHDOJ, Grants Management Unit, when it is no longer being used for the program purposes for which it was acquired.
 11. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the NHDOJ, Grants Management Unit.
 12. Subrecipients of federal funding from the NHDOJ are required to comply with all federal regulations that relate to non-discrimination. These requirements are specified in United States Code of Federal Regulation Title 28, sections 35, 38, 42 and 54. Individuals who believe they may have been discriminated against by the NHDOJ or by an organization that receives federal funding from the NHDOJ based on their race, color, national origin, religion, sex, disability, age, sexual orientation or gender identity should print and complete a Discrimination Complaint Form found at <https://www.doj.nh.gov/grants-management/civil-rights.htm>.
 13. The Subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the Subrecipient's website, or the NHDOJ's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
 14. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NHDOJ: 1) affirmatively asserting that the subrecipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
 - A copy of the organization's 501 (c) 3 designation letter, or:
 - A letter from the State of NH stating that the Subrecipient is a non-profit organization operating within the state, or:
 - A copy of the Subrecipient's state certificate of incorporation that substantiates

its non-profit status

Subrecipient that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the Subrecipient is a local non-profit affiliate.

EXHIBIT D
Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Court Appointed Special Advocates of New Hampshire (Applicant) certifies that any funds awarded through **grant number 2021CJA02** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Court Appointed Special Advocates of New Hampshire (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18.
