 Commissioner

WILDOLFO ARVELO
 Director

August 3, 2018

His Excellency, Governor Christopher T. Sununu
 and the Honorable Executive Council
 State House
 Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Business and Economic Affairs, Division of Economic Development to accept and expend an additional \$11,389 from the United States Department of Defense to offset the cost of an unbudgeted dues increase, purchase of an interactive display/monitor for the BEA conference room, and purchase of two Microsoft Surface Pro computers businesses effective upon Governor and Executive Council approval through June 30, 2019. **100% Federal Funds**

EXPLANATION

The New Hampshire Procurement Technical Assistance Center (NH PTAC) is a cooperative agreement program between the Division of Economic Development and the US Department of Defense, Defense Logistics Agency (DLA). NH PTAC provides technical assistance to New Hampshire companies (clients) with the complexities of government (federal, state and local) contracting. In Federal Fiscal Year 2017, federal contracts and subcontracts in New Hampshire were valued at \$2.65 billion dollars.

DLA has provided NH PTAC with \$11,389.00 more than originally anticipated in the FY'19 budget. These additional funds, under the existing sequence of annual grants, are intended to provide additional IT equipment..

Portable Computers – DLA specifically approved purchase of two (2) Microsoft Surface Pro portable computers, with docking stations and associated operating software (\$5036). These will be assigned to our two Procurement Counselors, and will enable them to have virtually all of their counseling information resources accessible for use while at client sites and at outreach events.

Interactive Display – In the light of BEA's plan to relocate in September 2018 DLA approved funding a large touchscreen monitor (\$5250), which will replace the training room audiovisual equipment that we have used at 172 Pembroke Rd, which will remain with DNCR. *(Note that this is classified as equipment, although under federal guidelines it is a supply).*

Organizational Dues - The timing and amount of dues assessed by our national organization, the Association of Procurement Technical Assistance Centers (APTAC), has changed since the FY'19 operating budget was enacted, resulting in budget unavailability to pay the full amount of annual dues in a timely manner, despite the availability of Federal funds.

The following additional appropriations are being requested for Fiscal Year 2019:

Class	Description	Amount	Purpose
020	Current Expense	\$ 547.00	To cover mounting brackets, installation cost
026	Organizational Dues	556.00	To cover increase in annual dues
030	Equipment*	10,286.00	Purchase & install interactive display for conference room and 2 Surface Pro computers & software
		11,389.00	

In the event that Federal Funds are no longer available, General Funds will not be requested to support these expenditures.

Respectfully submitted,

Wildolfo Arvelo
Director

Concurred

Taylor Caswell
Commissioner

Features

- 70" Class (69-1/2" diagonal) Interactive Display System
- Built-In Wireless Presentation Capability
- Multi-User – Up to 4 Simultaneous Users
- Brilliant High Definition (1920 x 1080) LED Display
- 10-Point Multi-Touch Screen
- 3-Year Limited Warranty
- Built-In 10W per Channel Stereo Audio System with Front Facing Speakers
- Engineered for 24/7 Use
- Enhanced Writing Surface with Improved Fingerprint and Scratch Resistance
- Touch Viewer Software provides Easy Manipulation of Multiple File Types**

Overview

Sharp's AQUOS BOARD® PN-L703W is designed for smooth and effortless communication in a wide range of contexts. The PN-L703W includes built-in wireless connectivity that enables different devices to connect easily. Information from those devices can be displayed in a 2 x 2 split screen, allowing for highly productive interactions. Using SHARP Touch Viewer™ software, you can manipulate various file types in the same work area. The pen digitizer function, meanwhile, distinguishes between pen and finger input and supports natural and seamless operation. These and other superb AQUOS BOARD features are sure to boost creativity and participation levels in presentations and small-scale meetings, while fulfilling the growing demand for cable-free collaboration.

Unique Features of the PN-L703WA Interactive Display Include:

- **Built-In Wireless Presentation Ability:** Allows users to wirelessly present content on the AQUOS BOARD interactive display directly from their devices without the need to pre-load files or data.
-

AQUOS BOARD®

The AQUOS BOARD® Interactive Display That Lets You Bring Your Own Device (BYOD) to Unleash Creativity

Sharp PN-L703WA/803WA touchscreen LCD monitors boast wireless connectivity, enabling a range of different devices to connect to them. Information from the 70" Class (66.5" diagonal) and 80" Class (80.5" diagonal) devices can be displayed in a 2 x 2 split screen, allowing for highly productive interactions. Using SHARP Touch Viewer™ software, you can manipulate various file types in the same work area. The pen digitizer function, meanwhile, distinguishes between pen and finger input and supports natural and seamless operation. These and other superb AQUOS BOARD interactive display features are sure to boost creativity and participation levels in presentations and small-scale meetings, while fulfilling the growing demand for cable-free connection of BYOD devices.

Flexible Communications with a Variety of Devices

Wireless Connectivity

Now there's no need to mess with tangled wires or connection adapters when you want to share your ideas. The PN-L703WA/803WA interactive displays have a built-in wireless controller that enables multiple devices—including Mac® or Windows® computers, smartphones, and tablets—to connect wirelessly via dedicated connection software. Mac and Windows users also have a handy option for quick, temporary connection: they can launch the wireless connection software on the bundled token without pre-installing anything. Thanks to wireless connectivity on the PN-L703WA/803WA interactive displays, meeting participants can enjoy BYOD freedom as well as speedy and active communications.

Note: Connection software is downloadable from the App Store™ online store (iOS® platform) or Google Play™ store (Android™ platform). Additional tokens may apply.

Wireless Connection System Requirements

Minimum*	OS	OS
Mac	OS X	Windows® 7, Vista® or higher (64-bit) or higher recommended Windows® 11 (64-bit) only, Windows® 10 (64-bit) only Mac OS X 10.11 or later, Mac OS X 10.10 or later
	Memory	2 GB or more (8 GB or more recommended)
	Hard disk	256 MB capacity or more
	OS	OS X, (Pen operation on Apple OS 7.0 or later)
	Android®†	Smartphones or tablets operating on Android® 4.0 or later
	Chrome OS†	Chrome OS operating on Chrome OS™ 2012.928 or later

2 x 2 Split-Screen Display

The PN-L703WA/803WA interactive displays can connect wirelessly with multiple mobile devices and simultaneously display the onscreen contents of those devices in a 2 x 2 split screen. Alternatively, any one of the individual screens can be enlarged to full-screen size. The screen can be switched either from the AQUOS BOARD interactive display or from a connected device.

Enhanced Security

Because data is not stored during wireless connection, there's no need to worry about any leakage of confidential information from a discussion or presentation.

Overlay Function

In overlay mode, you can write annotations on a transparent screen that overlays the visible onscreen content. Text and graphics written on the AQUOS BOARD interactive display can be captured—along with the contents on the screen—and saved as JPEG files on a connected USB memory device or on a wirelessly connected Mac or Windows computer. The overlay function is a major boon when you want to share meeting notes with participants and others.

Note: Original files or content shown on the screen cannot be accessed directly during overlay mode.

Direct Drawing Function

The PN-L703WA/803WA interactive displays can be quickly switched to enable use of Direct Drawing, a user-friendly function that's just like using a whiteboard. Even for first-time users, this simple write-and-erase function is easy and intuitive to operate. Screen captures can be saved as JPEG files on a USB memory device.

Touch "Direct Drawing" on the attention area.

Flexible, Natural Work Environment

Revolutionize Discussions with SHARP Touch Viewer Software

SHARP Touch Viewer software is a touch-operated onscreen user interface that lets you easily view, manipulate, and write annotations on different types of files, including Microsoft® Office applications, videos, and Web pages. Being able to organize a variety of file types in one work area allows you to have more active discussions.

View various types of files in one work area

Various kinds of files*—including Microsoft Office files, PDFs, Web pages, and image and video files—can be displayed on the screen as "sheets." There's no need to open the respective applications, and you can view all the different files simultaneously in the same work area.

* Supports the Microsoft Office (Word®, Excel®, PowerPoint®, PPT®, PPTX®, PPS®, PPSX®, PPTM®, PPTXM®, PPSM®, PPSXM®, PPSXW®, PPSXMW®, PPSXWV®, PPSXMWV®, PPSXWV®, PPSXMWV®, PPSXWVW®, PPSXMWV®, PPSXWVWV®, PPSXMWVW®, PPSXWVWV®, PPSXMWVWV®, PPSXWVWVW®, PPSXMWVWVW®, PPSXWVWVWV®, PPSXMWVWVWV®, PPSXWVWVWVW®, PPSXMWVWVWVW®, PPSXWVWVWVWV®, PPSXMWVWVWVWV®, PPSXWVWVWVWVW®, PPSXMWVWVWVWVW®, PPSXWVWVWVWVWV®, PPSXMWVWVWVWVWV®, PPSXWVWVWVWVWVW®, PPSXMWVWVWVWVWVW®, PPSXWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXMWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWV®, PPSXWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVWVW®, PPSXMWV®, PPSXWV®, PPSXMWVW®, PPSXWVW®, PPSXMWV®, PPSXWV®, PPSXMWVW®, PPSXWVW®, PPSXMWV®, PPSXWV®, PPSXMWVW®, PPSXWVW®, PPSXMWV®, PPSXWVW®, PPSXMWV®, PPSXWV®, PPSXMWV®, PPSXWV®, PPSXMWVW®, PPSXWV®, PPSXMWVW®, PPSXWVW®, PPSXMWV®, PPSXWVW®, PPSXMWV®, PPSXWV®, PPSXMWV®, PPSXWV®, PPSXMWV®

ECR original data

Original Microsoft Office files displayed as "sheets" can be easily opened with compatible applications and edited.

Store onscreen layouts

Onscreen layouts of "sheets" can be stored for later retrieval, so you can easily restart a discussion where you left off.

Note: Download SHARP Touch Viewer software from the bundled CD-ROM.

* Devices can be linked to PC servers or network servers.

Pen Digitizer Functionality Boosts Communicative Potential

The PN-L703WA/803WA Interactive displays feature a pen digitizer function that automatically distinguishes pen and finger input, allowing you to perform pen and touch operations without having to switch modes. The bundled touch pen employs a pressure sensor that faithfully renders your writing style. The pen digitizer function is compatible with Microsoft Office® (Excel, Word, PowerPoint and OneNote), Adobe Photoshop®, Adobe Illustrator® and SHARP Touch Viewer software.

* Not certified by Microsoft.

Smooth Operation and Comfortable Writing

Simultaneous Writing for Up to 4 People

The PN-L703WA/803WA Interactive displays let you capture ideas at the moment of creation. Recognizing up to 10 touch points, they allow up to four people to write at the same time with a finger or touch pen.

User-Friendly SHARP Pen Software Interface

The easy-to-launch SHARP Pen Software user interface incorporates a menu comprising neatly arranged icons that provide easy access to pen settings and functions. Settings such as color and line thickness can be established for each touch pen. The menus for each pen can be displayed in a floating format that allows them to be moved to any convenient location on the screen.

Touch-operated onscreen menu

Pressing the Touch Menu button on the PN-L703WA/803WA Interactive displays instantly displays an onscreen menu that lets you easily switch input sources, change volume level, or turn the touchscreen function on and off without using a remote controller.

Handwriting Recognition

A handwriting recognition function converts selected onscreen handwriting into standard text. This convenient function allows you to utilize onscreen content to make neat and legible minutes of your meetings.

Works with languages supported by SHARP Pen Software. Please see the SHARP Pen Software manual for supported languages.

Minimize glare and fingerprints

Protecting the screen is an anti-glare film that works to help reduce glare and reflections and minimize fingerprint smearing on the glass.

Front-mounted speakers

Two speakers (10 W + 10 W) are mounted low on the front of the LCD monitor to deliver clearer sound.

SHARP Display Connect

This software is especially effective for communications with large audiences. By allowing the AQUOS BOARD Interactive display to share its onscreen content with up to 50 devices*, and by enabling the exchange of files between those devices, SHARP Display Connect facilitates lively discussions and paperless meetings in both business and educational settings.

* The number of connectable mobile devices depends on the host OS and the accompanying Windows Site-Licence Agreement. Windows 7, Max. 50; Windows 8/8.1, Windows 10, Max. 25; OS requirements (as of November 2013): Mac, Windows 7, Windows 8/8.1, Windows 10; Chrome, Windows 7, Windows 8/8.1, Windows 10; OS X v10.7-10.10, Android 2.2-4.0, iOS 5.0-6.0. Connecting 25 or more mobile devices requires at least two LAN access points.

Terms and Conditions

Thank you for choosing to work with Red River Solutions, LLC (Red River).

Quotations are considered all or nothing unless otherwise specified. Please contact us if you have a quotation you would like to procure a portion of.

This quote is intended for the use of the person to whom it is addressed and contains information that is privileged and confidential and may be protected from disclosure under applicable law. If you are not the intended recipient, your use of this message for any purpose is strictly prohibited. If you have received this quote in error, please notify the sender so that we may correct our records.

By soliciting and accepting this quote, the intended recipient of this quote agrees not to disclose its content to any third party, including without limitation any other vendors, and agrees not to use this quote for any purpose other than determining whether to purchase the quoted goods or services from Red River. You agree that Red River shall be entitled to enjoin any violation of this obligation and shall be entitled to whatever other remedies are afforded under law for any violation.

All purchases are subject to credit approval.

Invoicing of hardware/software products and licensing will be based on proof of delivery. Invoicing of services will be based on Period of Performance (POP) start date, milestone completion, or as otherwise agreed upon in Statement of Work (SOW).

All returns are subject to pre-approval and must have an RMA (Return Merchandise Authorization) number issued by Red River. Return approval may be based on the policies of the manufacturers whose products we provide. Generally, unopened products in 100% re-sellable condition may be returned within 30 days. Please take note that most manufacturers do not permit the return of products that have been opened, custom built or otherwise preconfigured. Some manufacturers do not allow returns for any reason. Please check with your sales representative for specific manufacturer return guidelines. Failure to return a product within the applicable return period will be deemed to be an acceptance of the product.

Red River does not separately warrant the products of the manufacturers we carry.

Red River will honor all pricing for a period of 30 days pending manufacturer or distributor price increase or discontinuance, unless otherwise noted within this quote.

Shipments of information technology products to California may require additional charges to cover CA state environmental fees.

Terms and conditions, and other contractual obligations, based on effective customer specific contracts and/or agreements supersede and take precedence over these standard terms and conditions.

Red River is an equal opportunity employer. All decisions concerning the employment relationship are made without regard to age, race, color, religion, creed, sex, national origin, marital status, veteran status, the presence of any physical or mental disability, genetic information or any other status or characteristic protected by federal, state, or local law. Discrimination or harassment based upon any of these factors is wholly inconsistent with our company values and will not be tolerated.

These terms and conditions are subject to change without notice.

Additional shipping charges may apply when OCONUS, expedited, or heavy-weight shipments or any non-standard shipping arrangements are requested and/or required for order fulfillment.
