June 2, 2022

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails to enter into **Retroactive Grant-In-Aid** agreements with the OHRV clubs shown in the attachment in the total amount of \$1,143,800.89 effective upon Governor and Council approval for the period June 1, 2022, through May 31, 2023. 100% Other Funds (Transfers from Fish & Game).

Funding is available in accounts, Grant-In-Aid – Wheeled, as follows:

	<u>FY 2023</u>
03-035-035-351510-34860000-075-500590 - Grants Subsidies and Relief	\$1,143,800.89

EXPLANATION

This request is **Retroactive** as both the GIA Advisory Committee meeting, where awards are determined, and the grant award start dates are determined by GIA Rules, fall within days of each other, and allow for OHRV clubs to do trail work at the beginning of the OHRV riding season. The clubs must start their trail construction projects immediately in order to complete the needed maintenance work for the season as soon as possible.

The Department's authority to enter into Grant-In-Aid agreements with non-profit off highway recreational clubs is outlined in RSA 215-A:23, VI(b). These grant agreements are for aiding the clubs in the maintenance and development of OHRV trails.

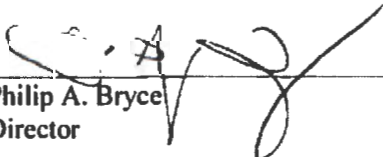

The Attorney General's office has approved the attached sample agreement as to form and substance and will approve the actual agreements as to execution. Copies of these agreements are available at the Department's Bureau of Trails.

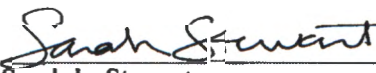

While many of the grant agreements are not above the \$10,000 limit requiring approval by the Governor and Executive Council, there is the potential for additional grants to be awarded to these clubs during the same Fiscal Year putting grantees over said limit.

Respectfully submitted,

Concurred,

Philip A. Bryce
Director

Sarah L. Stewart
Commissioner

- 12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.4 Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

EXHIBIT C - Payment Terms

Method of Payment

1. The State agrees to reimburse the Grantee in accordance with RES 8408, subject to the following terms and conditions; however, should off highway vehicle revenues fall short of the estimated amounts, grant awards shall be reduced by the amount of the revenue shortfall. If GIA revenues are insufficient to fund Projects and/or Equipment purchases or reconditions at the percentages noted in Res 8403.02, the Bureau shall have the ability to offer partial funding to a Grantee, lower than those proportions noted in Res 8403.02, and the Grantee may determine if they wish to accept the lower grant award.
2. The maximum amount of funds available to the Grantee pursuant to this Agreement shall be «Grant_Total». It is further understood and agreed that the Grantee shall only be reimbursed on the basis of actual costs incurred, and that the State's determinations of eligible and approved costs shall be final in all cases. The Grantee shall submit invoices for actual costs incurred in construction or maintenance of the approved trail; actual costs incurred in the grading of the approved trail, along with one (1) grading log for each grading event; actual costs incurred in the purchase or reconditioning of equipment, along with a receipt from the vendor indicating the equipment has been delivered and paid for. Said receipt shall include the Grantee's name, the purchase or reconditioning price, the make, model, serial number, and year of manufacture of equipment, and any accessories purchased.
 - a. FIRST PAYMENT; upon receipt of an invoice thirty (30) days after commencement of the Project or purchase, the State agrees to pay the Grantee percentages as applicable, deemed eligible and approved.
 - b. SUBSEQUENT PAYMENTS: each successive thirty (30) days after the first payment, the Grantee shall submit invoices evidencing acceptable costs. If the costs are deemed eligible and approved, the State agrees to pay the Grantee appropriate percentages. Said payments shall continue to be made until authorized reimbursements for the total costs of said Project and/or purchase or recondition have been made, on the condition that invoices are submitted within the Agreement period.
 - c. NOTWITHSTANDING anything to the contrary contained herein, it is understood and agreed that all payments of all sums by the State hereunder are contingent upon availability and continued appropriation of State funds, and, if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, the State may terminate this Agreement in whole or part immediately.
3. Any grant funds allotted, but not applied for by the Grantee by the termination date of this Agreement, shall lapse and be returned to the Grant-in-Aid Program. Any remaining balances upon Project completion and/or Equipment purchase or reconditioning shall not be used for any other purpose unless prior written permission has been received and approved by the Bureau.
