

The State of New Hampshire  
**Department of Environmental Services**

**Robert R. Scott, Commissioner**

August 18, 2017

His Excellency, Governor Christopher T. Sununu  
 and the Honorable Council  
 State House  
 Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a **SOLE SOURCE** grant to New Hampshire Lakes Association (VC #166610-B001) in the amount of \$10,000 to contribute to the preparation of a report on the economic importance of water and water services in New Hampshire, effective upon Governor and Council approval through August 30, 2018. This dollar amount of this item is below the \$25,000 Governor and Council threshold for FY2018 but the vendor has received payments of \$81,000 which causes them to exceed the threshold. 100% Federal Funds.

Funding is available as follows:

	<u>FY2018</u>
03-44-44-441018-4718-072-500574	\$10,000
Dept. Environmental Services, DWSRF Administration, Grants- Federal	

**EXPLANATION**

The New Hampshire Water Sustainability Commission, appointed by Governor John Lynch on April 22, 2011, was charged with identifying and prioritizing “actions necessary to ensure that both the quantity and quality of water are protected and the state’s water resources are managed in a sustainable manner so as to protect New Hampshire’s economy and quality of life.” The Commission’s 2012 report, “New Hampshire Lives on Water,” called for “partnerships and management of water across political boundaries, good science, and adaptive decision-making in managing our water resources.” The report proposed “the creation of a Water Advisory Task Force to advance work toward the goals outlined in this report and a multi-sector citizens’ initiative to expand public engagement in and support for the specific recommendations offered by the Commission.” In 2013, several members of the Commission convened an informal partnership, New Hampshire Lives on Water: A Public-Private Partnership (NHLOW). NHLOW developed a work plan in 2014 which identified as a key strategy “educate the public regarding value, cost, and status of water to our quality of life and the NH economy.” NHLOW’s Steering Committee has raised funds from a number of sources to enable the New Hampshire Lakes Association (NH LAKES), the fiscal agent for NHLOW, to commission a study by New Hampshire Center for Public Policy Studies (the Center) on the economic importance of water and water services in NH. NHDES proposes to contribute \$10,000 to support this study, which will further NHDES’s mission by generating data that will help build public support for investment in water infrastructure and the stewardship of water resources. The funds from this grant will be matched with \$28,575 from non-federal, non-state sources. This is a **Sole Source** grant. NH LAKES is uniquely qualified to administer the funds as fiscal agent for NHLOW due to its experience successfully administering similar studies in the past. NHLOW is uniquely positioned to sponsor this study as a public-private partnership which serves as the successor to the Water Sustainability Commission (WSC) and whose Steering Committee

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council

Page 2 of 2

comprises former members of the WSC. NHLOW conducted a competitive bid process which resulted in selection of the Center as the best qualified to prepare the study.

This agreement has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that federal funds no longer become available, General funds will not be requested to support this program.

We respectfully request your approval.

for Robert R. Scott  
Commissioner

In connection with the performance of the Project, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Grantee, including the acquisition of any and all necessary permits.

9.2 Between the Effective Date and the Completion Date the Grantee shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.

9.3 No data shall be subject to copyright in the United States or any other country by anyone other than the State.

9.4 On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5 The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. **CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

11. **EVENT OF DEFAULT; REMEDIES.**

11.1 Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

11.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

11.2.1 give the Grantee a written notice specifying the Event of

  
8/9/17

Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

**12. TERMINATION.**

12.1 In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

13. **CONFLICT OF INTEREST.** No officer, member or employee of the Grantee and no representative, officer of employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

14. **GRANTEE'S RELATION TO THE STATE.** In the performance of this Agreement, the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, worker's compensation or emoluments provided by the State to its employees.

15. **ASSIGNMENT AND SUBCONTRACTS.** The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.

16. **INDEMNIFICATION.** The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any

person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee of Subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

**17. INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

17.1.1 statutory worker's compensation and employees liability insurance for all employees engaged in the performance of the Project, and

17.1.2 comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$2,000,000 for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and

17.2 The policies described in subparagraph 17.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

**EXHIBIT A**  
**SCOPE OF WORK**

New Hampshire Lakes Association:

The New Hampshire Lakes Association, the fiscal agent for New Hampshire Lives on Water (NHLOW), will use New Hampshire Department of Environmental Services (NHDES) grant funds to support the following work:

- 1) Assemble New Hampshire-specific analyses currently being prepared by the NH Center for Public Policy Studies (the Center) into a narrative report that explains the information, highlights critical challenges associated with it, and lays out options for policymakers. This will cover:
  - Water in the environment (ecological integrity and health, biodiversity); and
  - Natural and built water infrastructure (water quality and supply, wastewater and stormwater management, dams, flood protection);
  - In terms of public health, jobs, income, business revenue, costs, property values, state and local revenues, and quality of life.
- 2) Develop a public communications strategy for the data and accompanying report. This will include a full media release, social media, the Center's blog, and other forums. The Center will be available to make additional presentations summarizing its work to state and local officials in New Hampshire and the general public after the completion of the study.

Deliverables include:

- 1) Meetings with a Project Oversight Committee
- 2) A draft report
- 3) A final report and presentation

**EXHIBIT C**  
**SPECIAL PROVISIONS**

Subparagraph 1.7 of the General Provisions shall not apply to this Agreement. The comprehensive public liability insurance against all claims of bodily injuries, death, or property damage under Subparagraph 17.1.2 of the General Provisions shall be reduced from \$2,000,000 to \$1,000,000 for bodily injury or death in any one incident. A reduction from the State's standard liability coverage is warranted in light of the minimal risk associated with the activities required under this contract.

Changes to the Scope of Work or reallocation of grant funds require NHDES approval in advance.

Work must be completed by the completion date listed on the grant agreement (section 1.6). Requests for payment along with required proof of work must be submitted no later than 90 days after the completion date or the grant will be closed out and funds will no longer be available.

If a deadline extension is requested, the grantee must make that request for approval at least two months before the completion date.

Federal Funds paid under this agreement are from a Grant to the State from the U.S. Environmental Protection Agency, Drinking Water State Revolving Fund Set-Asides under CFDA #66.468. All applicable requirements, regulations, provisions, terms and conditions of this Federal Grant are hereby adopted in full force and effect to the relationship between this Department and the grantee.
