EXPLANATION

This item is **Sole Source** because the vendor is uniquely qualified and able to quickly provide the services needed during the ongoing COVID-19 pandemic. This item is **Retroactive** because the COVID-19 pandemic has severely limited summer and fall programming that is available to children and youth placed in relative and foster care by the New Hampshire Division of Children, Youth and Families. The Department determined August 1, 2020, to be the earliest date possible to begin providing these much needed supports.

The purpose of this contract is to provide CARES Act funds to assist foster and relative caregivers with access to summer and fall programming for the children in their care. The Contractor will administer programming support through the intake, review, and approval of requests from foster and relative caregivers. Caregivers may request up to a \$500 grant to fund additional opportunities for children in foster or relative care. Programming activities include, but are not limited to, day camp, overnight camp, in-home childcare, respite, in-state day trips, recreational programs, online programming, etc. Children and youth will greatly benefit from the ability to engage in these activities outside of the home.

Caregivers for approximately 900 children in Division for Children, Youth and Families custody and foster care are eligible to request programming support from August 1, 2020, to December 30, 2020.

The Department will monitor contracted services by ensuring 100% of foster and relative caregiver programming support applications will be reviewed and processed within five (5) business days. Further, the Contractor will also submit monthly reports on the following:

- Number of children served;
- Number of children served by County;
- Child's assigned Child Protective Services Worker (CPSW) and their District Office;
- Type of supportive services being funded;
- Cost per caregiver, with cost further broken down by child;
- Number of applications denied;
- Basis for application denial; and
- Program accounting details, including total funds and administrative costs to date.

Area served: Statewide

Source of Funds: CFDA #21.019, FAIN #TBD

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette
Commissioner

(2) **Business Associate Use and Disclosure of Protected Health Information.**

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
 - I. For the proper management and administration of the Business Associate;
 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Exhibit I

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

 - o Whether the protected health information was actually acquired or viewed
 - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Exhibit I

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

NH Foster & Adoptive Parent Association

DHHS-Contracting Unit
Attention: Jeannie Cadarette

August 1, 2020

Dear Jeannie,

Although NHFAPA was initially founded more than a decade ago, our organization welcomed new leadership in 2019. While some of the faces stayed the same, many changed, including NHFAPA's officers.

I am especially proud of our current board. The NH Foster & Adoptive Parent Assoc. is comprised of community leaders, each with a history of advocacy and upmost professionalism. NHFAPA also had the honor of hiring an astute and integral Executive Director, Mariellen MacKay.

NHFAPA began as a grassroots advocacy group, that has grown into a formidable 501c3 within the Child Welfare Community. Historically NHFAPA's annual fiduciary position required minimal tax preparation and general reporting. 2018 marked the first year that NHFAPA was required to file a 990 Federal Return. NHFAPA has not been required to have audited financials, or to develop 2 CFR subpart D protocols.

Being small makes our nonprofit nimble and easily adaptable. We are poised to develop and implement any and all financial protocols are directed by DHHS or the Federal Government. In addition, the board continues to look to the future as we develop innovative ways to resource and support foster caregivers in New Hampshire.

Warmest,
Airial Sillanpaa, NHFAPA President

COMMUNICATION

As the Prime Sponsor of HB 629, Preference for Guardianship for Grandparents I presented this Bill at a national conference in Michigan, April 2018, to request that this legislation become model legislation for the Country. NH was the first state in the country to accomplish this. This legislation was accepted, and we are now model legislation. Six other states have already enacted this legislation modeled after HB 629.

Assisted in negotiating an agreement between NH DHHS, NH DCYF, and the Legislature on HB 592 which passed the NH House and NH Senate in 2018.

As the Prime Sponsor of HB 1472, The Repeal of RSA 155-D which eliminated a duplication in NH's Laws and the 50% rule in construction I brought this legislation forward on behalf of the BCRB and the NH Building Officials Association with Nashua Building Inspector/Manager William McKinney co-writing this legislation. The PUC (Public Utilities Commission) and DES (Department of Environmental Services) were in full support of this Bill. This Legislation passed the NH House and NH Senate in 2018.

I spoke on behalf of NH Foster Parents at a conference in Texas in support of NH's system to over 1000 attendees.

Facilitated bringing Legislators and Agency Personnel to NJ to study their Child Welfare System and then brought NJ into NH to speak to a broader group of Individuals and Agencies about the Child Welfare System. This Session SB 14 is among the Legislation introduced to change NH's Child Welfare System because of the efforts that I facilitated with NJ's Child Welfare System utilizing the supports and services of Casey Family Programs and the NH DCYF.

As the Chair of the Sub-committee on Foster Care brought about an open forum for foster and adoptive parents to openly discuss issues of concern and positive outcomes. Worked with DHHS and Senator John Reagan to bring about legislation to insure that needed services for children in care and within ESS (Early Supports and Services) will receive the necessary signatory approval. This was in direct response to the concerns foster parents brought forward.

Facilitated a meeting between the DCYF Director and the State Fire Marshall to address the needed and necessary changes for the fire departments to insure a standard and consistent rule on the fire inspection form that is a requirement to license and renew licenses for foster parent approval.
