**EXPLANATION**

College for America at Southern New Hampshire University has partnered with the State of New Hampshire to provide state employees with low-cost, competency-based associate and bachelor degree programs. The employee is required to complete competency based projects each semester that are tied to specific goals (attached) to earn either an Associate's Degree in General Studies or a Bachelor's Degree in Communications.

This employee was hired by the State of New Hampshire on October 10, 2008 and accepted a Program Assistant II position in the Department on November 15, 2013. Ms. Perry was promoted to an Insurance Claims Representative as of June 12, 2015 and was recently promoted to an Insurance Company Examiner as of April 29, 2016. In her new role, she will be reviewing insurance policy language to ensure the language submitted to the department meets federal and state laws. The employee will be pursuing a Bachelor's Degree in Healthcare Administration. Further development of the employee's knowledge of healthcare management and communication skills will build upon the employee's competency in reviewing documents submitted by insurance carriers for accuracy and interfacing with insurance carriers regarding their policy documents. Successful completion of the program will add to the overall strength of the Department to perform its mission to the residents of New Hampshire.

The employee will be completing projects on her own personal time. A fully executed tuition agreement is attached.

Respectfully submitted,

Roger A. Sevigny
