Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, State Library, to award an Institute of Museum and Library Services (IMLS) Library Services & Technology Act (LSTA) American Rescue Plan Act (ARPA) sub-grant to the Effingham Free Public Library (VC #157618), Effingham, NH, in the amount of \$3,729.32 to promote continuous improvement in library services in all types of libraries to better serve the people of New Hampshire upon Governor and Council approval through August 31, 2022. 100% Federal Funds.

Funding is available in account, State Library IMLS ARPA Grant, as follows:

	<u>FY 2022</u>
03-035-035-353010-24470000-072-502626 – Grants Federal	\$3,729.32

EXPLANATION

The State Library IMLS ARPA grant is used to promote continuous improvement in library services in all types of libraries to better serve the people of New Hampshire. This sub-grant program allowed three small libraries to implement low-cost Z-target solutions for their Integrated Library System in order to effectively participate in the statewide New Hampshire Automated Information System (NHAIS) Inter-Library Loan (ILL). This connection method offers substantial time and work savings to NH libraries because it eliminates the need for them to maintain holdings both locally and in the ILL system. Four applications were submitted; however, one withdrew not wanting to add an annual cost going forward to automate with Koha which is needed to proceed with implementing the program.

This sub-grant opportunity allows the Effingham Free Public Library to convert their current online library catalog for their collections to an open-source online library catalog that has the capability to interface with the statewide library catalog (New Hampshire Automated Information Systems Inter-Library Loan, NHAIS -ILL). This allows the staff at Effingham Free Public Library to see if items requested by their patrons and residents of their town are available in other libraries across the state, make the request, track the request, and get the item for their patron with a due date set by the lending library. The entire transaction is tracked in the NHAIS ILL system and can be edited by library staff. This saves time and money on the local level and broadens the accessibility of information to Effingham residents that would not be possible otherwise.

Earlier in Fiscal Year 2022, Effingham Free Public Library received \$2,840 as part of the IMLS ARPA sub-grants round 1 and later in the year was awarded \$16,844 as part of the IMLS ARPA sub-grants round 2 which exceeded the \$10, 000 threshold, therefore requiring this grant Governor and Council approval.

The Attorney General's Office has reviewed and approved this agreement as to form, substance, and execution.

Respectfully submitted,

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
