THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan
Commissioner

William Cass, P.E.
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
November 19, 2019

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Northeast Earth Mechanics, Inc. (Vendor 156610) of Pittsfield, NH, on the basis of a low bid of \$747,055.00 for sidewalk curb ramp upgrades, from the date of Governor and Council approval through June 26, 2020, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2020 as follows:

Funding is available as follows:	<u>FY 2020</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$747,055.00

2. Further authorize that a contingency in the amount of \$37,352.75 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2020</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$37,352.75

EXPLANATION

This project is part of the State's Ten Year Transportation Improvement Plan, through the District Resurfacing Program and ADA Transition Program. The project is located along 3.3 miles of roadway on NH Route 1A (Ocean Boulevard) in Hampton, NH between Epping Avenue and Cusack Road. The purpose of this project is the upgrade of approximately 117 existing sidewalk curb ramps to be ADA compliant. Improvements are anticipated to consist of concrete ramps, cast iron detectable warning surfaces, crushed gravel bedding, and adjacent curbing and pavement adjustments (as required).

This work is indirectly associated with two district resurfacing projects along Ocean Boulevard, one that was completed this year and the adjacent segment scheduled for next year. Typically, sidewalk curb ramps are done in conjunction with paving work for ADA compliance in accordance with federal requirements. Due to the large number of curb ramps in this area, a separate, federally funded project was established to address this required work.

The proposed contingency amount is 5% of the contract amount. This is to account for potential unforeseen pedestrian accommodation costs due to changed field conditions in the ramp areas over the winter of 2019 - 2020.

Although the bid costs exceeded the Department's estimate by approximately 40% the low bid of two bids received is felt to be reasonable for the work involved. 78% of the overage was associated with four items; maintenance of traffic, mobilization, excavation and concrete sidewalks. This is the first time we have bid a project exclusively to upgrade curb ramps, which made the cost estimate more challenging given the limited bidding history that was available. Re-advertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal (ADA TRANS & PAVE-T2-RESURF) with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/pcj

Department Estimate: \$534,040.00
Contract Amount: \$747,055.00
Over Estimate: \$213,015.00

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project is located along 3.3 miles of roadway on NH Route 1A (Ocean Boulevard) in Hampton, NH between Epping Avenue and Cusack Road. The purpose of this project is the upgrade of approximately 117 existing sidewalk curb ramps to meet ADA compliance. Improvements are anticipated to consist of concrete ramps, cast iron detectable warning surfaces, crushed gravel bedding, and adjacent curbing and pavement adjustments (as required).

FEDERAL FUNDING: 80% (ADA TRANS & PAVE-T2-RESURF) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

CONTINGENCY: The proposed contingency amount is 5% of the contract amount. This is to account for potential unforeseen pedestrian accommodation costs due to changed field conditions in the ramp areas over the winter of 2019 - 2020.

PROJECT INITIATED: This project was initiated through the District Resurfacing Program and ADA Transition Program.

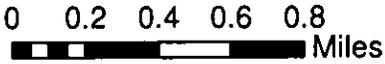

PROJECT EXPLANATION: The purpose of this project is to evaluate and design curb ramp improvements to meet Americans with Disabilities Act (ADA) requirements and Department of Justice (DOJ) Rule.

TRAFFIC IMPLICATION: The ocean side of NH Route 1A (Ocean Boulevard) is a year round pedestrian route. Safe pedestrian accommodations must be maintained at all times around the work areas. Lane closures will be allowed to facilitate work at intersections.

INTERMEDIATE COMPLETION DATE: May 15, 2020 (Epping to Dumas).

FINAL COMPLETION DATE: June 26, 2020.
