EXPLANATION

Approval of this request will allow the above providers to continue existing programs providing direct services to victims of crime, and training to direct service providers.

New Hampshire Coalition Against Domestic and Sexual Violence and its fourteen member agencies provide crisis intervention, emergency shelter, victim advocacy, support groups and individual counseling as well as information and referrals to crime victims throughout the state.

The Muskie School, University of Southern Maine, plans and executes the annual Maine-New Hampshire Victim Assistance Academy which provides training to victim advocates new to the field, and the Tri-State Advanced Advocate Training Conference which provides on-going education to experienced advocates.

Court Appointed Special Advocates (CASA) of New Hampshire recruits, trains, and supervises volunteers to serve as advocates for neglected children in the State's court system.

Victims, Inc. provides support and advocacy throughout the state to families of vehicular homicide victims. The organization also serves victims of violent crimes in Rockingham and Strafford Counties with direct support, information, and referrals.

The NH Department of Corrections, Victim Services Unit notifies victims of status changes for the offender (within the state correctional system) related to their case.

Northern Human Services in Conway, Colebrook, and Berlin provide professional mental health services and case management to victims of crime, as well as outreach and training to service providers in the north country.

The Granite State Children's Alliance and Child Advocacy Centers throughout the state provide safe, child-friendly, and forensically sound interviews of child abuse victims.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Joseph A. Foster  
Attorney General
