Requested Action

Authorize the Department of Safety, Division of Motor Vehicles, to enter into a **retroactive** five-year lease agreement with KGI Gorham, LLC (VC #259539), 10 Memorial Boulevard Suite 901, Providence, RI 02903. The cost of this lease agreement shall not exceed \$261,250.00 and will provide 5,500 square feet of space for the Division of Motor Vehicles office located on the first floor of the Mountain Valley Plaza, units #4 and #5, in Gorham, NH. Effective upon Governor and Council approval for the period of November 1, 2019 through October 31, 2024. Funding source: 100% Agency Income (Cost of Collections).

Explanation

This lease is **retroactive** due to unanticipated circumstances beyond the Landlord's control that delayed the Landlord's review and signing of the lease agreement. Administrative Rule, Adm. 610.06 "Public Notice," requires space to be placed out for bid. A waiver of this provision was requested and approved by the Department of Administrative Services as the per square foot price remains the same as the previous lease term with no increase in the rental price.

This lease provides continued use of the office space on the first floor of the Mountain Valley Plaza, Gorham NH, allowing the Department of Safety, Division of Motor Vehicles, to consistently serve the greater Berlin/Gorham area at the same location for the public's convenience. This 5,500 square foot location is payable at a net rate of \$9.50 per square foot, which is \$52,250.00 annually, fixed (0% escalation) for the five-year term of the lease with no increase in rent over the previous term. This space also houses the Berlin area Emergency Medical Services Office and provides office space for the Division of State Police.

The total cost of this lease shall not exceed the five-year rent of \$261,250.00. The annual rent includes the Landlord's provision of real estate taxes, insurance, site and building maintenance, snow plowing and removal. The annual rent does not include provision of janitorial services or utilities which are estimated at \$20,000.00 annually.

Respectfully submitted,

SUBJECT: Attached is a Request to Waive the public notice requirements per Adm. 610.11;
Approval respectfully requested

TO: Charles Arlinghaus, Commissioner
Department of Administrative Service
25 Capitol St
Concord, NH 03301

Requesting Agency: Department of Safety, Division of Motor Vehicles, 33 Hazen Dr. Concord, NH

DESCRIPTION: The DOS-DMV is currently leasing a space in Gorham, NH for a DMV Public Customer Service facility and an EMS unit. They had a five (5) year lease and it is going to expire. DMV and the Landlord invested \$300,000.00 fitting up this location to provide day to day service to this area of northern NH public. DMV is requesting a waiver from the RFP process due to financial reasons. DMV has already requested proposed pricing from the Landlord. The negotiated price is \$9.50 SF. This is extremely good pricing for a lease across the state. There will be no construction when this lease is renewed, unless to meet current building and ADA codes required by the State of New Hampshire. The RFP process will increase the rent rate due to fit up costs and higher rent rates. The cost to move the data, furniture and people to the new space, is an additional expense for DMV. The cost to move DMV to a new location will be considerably more than to renew the lease at the current location.

Recommendation: Bureau of Planning Management recommends approval of this waiver to reveal a financial burden and required of DMV.

ASSISTANT COMMISSIONER

Charles M. Arlinghaus, Commissioner
Department of Administrative Services

Dear Commissioner Arlinghaus:

The Department of Safety, Division of Motor Vehicles is respectfully requesting a waiver from the public notice requirement for leased space, pursuant to CHAPTER Adm 600 PROCUREMENT AND PROPERTY RULES, Adm 610.11 (b), Exemptions and Waivers from Public Notice Requirement.

The Division of Motor Vehicles has been leasing the customer service space in Gorham for four and one half years (4½) that houses both the DMV and Emergency Medical Services. The initial fit-up for the space was approximately \$300,000 with the State paying \$100,000 and the landlord the remainder. Current rent is \$9.50 per square foot and the landlord has agreed to hold the current rent with no increase throughout the five year term. This per square foot cost is the lowest rent Statewide for the DMV. As a result, it is in the best interest of the Department of Safety, and the State of New Hampshire that this space be obtained at a cost that compares favorably to the current price of similar space for rent, or similar space that is currently rented by the state.

DMV space is unique as it includes a custom built customer service counter, customer testing room for those requiring a computerized driver license test, a large customer lobby with waiting chairs, a large parking lot with areas designated for testing vehicles and slow speed testing of motorcycle license applicants; as well as queuing and audio systems to call the next customer and a public restroom.

A typical fit-up for the DMV in new leased space can range from \$150,000 to \$300,000 depending on square footage and the special requirements that need to be met for the DMV. There is also the cost of relocating utilities and new Carrier Based Ethernet installation, plus relocation expense.

This request is being made in an effort to save the unnecessary costs and time of bidding out space that will more than likely be significantly more in rental fees plus the necessary fit-up cost.

Thank you in advance for your consideration in approving this request.

Sincerely

John J. Barthelmes
Commissioner of Safety
