Authorize the New Hampshire Fish and Game Department (NHFG) to enter into a contract with New England Forestry Consultants, Inc. (VC# 220193) of Bennington, NH for \$15,079 to survey, blaze, paint and place state boundary line signs on the perimeter boundary of the 445 +/- acre Cascade Marsh Wildlife Management Area in the Town of Sutton, totaling 6.6 miles of boundary lines, and the 1,100 +/- acre Lower Shaker Wildlife Management Area in the Town of Enfield, totaling 6.7 miles of boundary lines. Contract will be effective upon Governor and Council approval through December 18, 2020. Funding is 75% Federal Funds and 25% Wildlife Habitat Account.

Funding for this contract is available and will be expended from the Wildlife Habitat Conservation Account as follows:

03 75 75 751520-2155 Wildlife Program – Wildlife Habitat Conservation	
020-07500-21550000-305-500845 Habitat Acquisition and Management	<u>FY20</u> \$15,079

Explanation

The New Hampshire Fish and Game Department is owner of lands throughout the state referred to as Wildlife Management Areas (WMA). It is NHFG's obligation to delineate and maintain in good order the boundaries of these public properties for the benefit of the public and abutting landowners. The Department has recently acquired 118 acres adjacent to Cascade Marsh Wildlife Management Area. NHFG similarly acquired an adjacent 20 ac parcel to Lower Shaker WMA several years ago, and the lines delineating this area were not marked. As part of the long term management of these lands NHFG tries to maintain a 15 year schedule of remarking and signing its boundaries. This contract includes both the surveying and marking of the recently acquired lands as well as the scheduled long term maintenance of the overall perimeter of these WMA's as described. The contractor for this work was selected through a Request for Proposals (RFP) submission and subsequent qualification assessment evaluation. A Request for Proposals was advertised on April 1, 2020. Seven proposals were received before the closing date for Lower Shaker WMA and eight were received for Cascade Marsh WMA prior to the closing date. These proposals were graded based on qualification criteria (see enclosed assessment table). New England Forestry Consultants Inc. had the winning proposals based on this evaluation for both sites.

Respectfully submitted

Executive Director

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. 8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. SPECIAL PROVISIONS

EXHIBIT B
SCOPE OF SERVICES

The Scope of Services is agreed to be as follows between New England Forestry Consultants, Inc. (NEFC) and the New Hampshire Fish and Game Department (NHFG).

New England Forestry Consultants, Inc. shall:

Survey, Set Missing Monuments, Brush, Blaze, Paint & Install Signage as described below:

1. All survey work under this contract must conform to the State of New Hampshire Laws and Administrative Rules governing licensing and practice of Land Surveyors, Chapters Lan 100 - 500. (http://www.gencourt.state.nh.us/rules/state_agencies/lan100-500.html)
2. All necessary materials, (i.e. paint, brushes, nails, signs) will be supplied by the New Hampshire Fish and Game Department. Upon completion of the project, unused materials are to be returned to New Hampshire Fish & Game Department.
3. The property line shall be brushed out approximately five feet (5') horizontally, two and one half (2 ½') feet each side of the line and six feet (6') vertically removing brush, limbs, saplings, etc. so that the line is clearly visible.
4. Painting of boundary line blazes shall be rectangular in shape, and a minimum of 2" wide x 4" long. Blaze protocol: Paint blazes fore and aft are online trees, all other trees standing within two feet (2') to the left or right of the line and four feet (4') from the line a single painted side blaze facing the line. Painted blaze trees should not be further than thirty feet (30') to forty feet (40') apart. *If using flagging to indicate boundary prior to blazing and painting, flagging must be removed once maintenance is completed. Old existing blazes found outside the allowable four feet (4') limit of a side blaze should not be repainted.*
5. Orange paint will be used to paint blazes and shall be applied by brush or paint roller. The paint will be applied in a thick consistency (not washy) completely covering the blaze.
6. Witness of **Boundary corners**: three separate witness trees will establish each corner. Each tree will have three painted blazes vertically aligned facing the corner. Boundary lines and corners must be clearly visible, at each corner intersecting boundary lines "heading to" and "leaving from" each corner monument. At approximately (10') ten feet either side of boundary intersection/property corner signs are installed facing abutting property and perpendicular of the boundary line direction.

Initials: CO/W
Date: 12/20/20

7. State boundary signs (3" x 9") will be installed approximately 250' apart along all boundary lines. State corner signs (3" x 7") will be installed at each corner. Important: *Nails used to post signs on live trees shall be driven 2/3rd the length of the nail shaft, leaving 1/3rd shaft and nail head proud of the face of the tree. This allows space for the sign to move as the tree continues to grow and retain the boundary signage. Any old signs found must be removed and properly disposed of and replaced with a new boundary sign where needed.*
8. Caution must be exercised when witnessing boundary lines that cross hiking/snowmobile trails at the property line. At these intersections, paint will be absent a minimum of fifty feet (50') from the trail intersection so users do not confuse the boundary line blazes for a trail witness. Property signs will be hung at trail intersections facing the abutting property to the WMA property. Signs will be fixed every 25' for a total distance of 100' left and 100' right of the intersection along the boundary where blazes and paint are omitted.
9. Caution and appropriate discretion should be exercised in areas immediately adjacent to abutting houses and yards. Limited blazing should be done in these areas and if possible not facing the abutting yard or house. Property signs should still maintain the standard spacing. No blazing or signing of maintained yard trees should be performed.
10. Work must begin and continue on a regular basis no later than one month after the day of approval by Governor and Council.
11. NH Fish & Game intends for the contractor to initiate the Scope of Work of this contract in a consistent and timely manner employing individuals with the ability to provide a quality product and manage the rigors of backcountry fieldwork on a large remote landscape. Also, this contract cannot be subcontracted in part or completely to another and must be performed by NEFC.

EXHIBIT C
METHOD OF PAYMENT

1. Payment of up to 50% (fifty percent) will be made during the contract period. Payment will be based on the completion of the blazing of the entire perimeter boundary.
2. The final payment, remaining 50% (fifty percent) of the contract, will be made contingent upon completion of the brushing, blazing, painting and signing of the perimeter boundary.
3. The balance payment, by Fish & Game Dept. to the contractor requires receipt of the final bill and acceptance of required fieldwork and documentation/documents in Scope of Work. Payment may be delayed in the event that upon review of completed work it is determined said work is not consistent with the Scope of Work. Payment to be made only when all contract work is completed in accordance with the guidelines set forth, as specified in the Scope of Work with approval of the project administrator.

Initials: CLM
Date: 5/28/20

4. The following appropriations code shall be referenced: 020-07500-21550000-305-500845.

5. Total to be paid under this contract may not exceed \$15,079.

**EXHIBIT D
FEDERAL AWARD INFORMATION
AND
COMPLIANCES FOR FEDERAL ASSISTANCE PROJECTS**

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
