His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Economic & Housing Stability, to amend existing agreements with the contractors listed below, for the provision of disability determination services, with no change to the price limitation of \$412,542 and with no change to the contract completion date of June 30, 2020, effective upon Governor and Executive Council approval.

The agreements were originally approved by the Governor and Executive Council on June 20, 2018 (Item #21A).

Vendor	Vendor Code	Address	Amount
Peter S. Bradley, MD, LLC (formerly Peter S. Bradley, MD)	169915-B001	43 Black Hall Rd., Unit H-1 Epsom, NH 03234	\$214,266
Warren Street Family Counseling Associates, Inc. (formerly Herbert W. Crosby, Jr., PhD)	157515-R001	33 Warren Street Concord, NH 03301	\$198,276
		Total:	\$412,542

EXPLANATION

The purpose of this request is to update the contractors' names. A recent audit conducted by the Internal Revenue Service (IRS) indicated that the Department must clearly differentiate between contractors and employees. These amendments clarify that the contractors are providing services to the Department as business entities, and not as employees. There is no change in the price limitation for either contract.

The contractors provide a wide range of medical and psychiatric expertise to assess, determine and review applicants' eligibility for disability benefits through Aid for the Permanently and Totally Disabled (APTD), Aid to the Needy Blind (ANB), Medicaid for Employed Adults with Disabilities (MEAD) programs and Home Care for Children with Severe Disabilities (HC-CSD). The Federal Centers for Medicare and Medicaid Services requires appropriate consultants be available to complete medical determinations.

The contractors review medical case records, including the written sequential evaluation summary, and make the final determination as to eligibility for disability.

The Department's Disability Determination Unit received 3,194 applications in State Fiscal Year 2018.

In addition to providing technical expertise, the contractors work with the Department to identify opportunities for quality improvement of operations and make recommendations for any changes that would improve the quality of services provided to New Hampshire citizens applying for disability benefits through APTD, ANB, MEAD, and HC-CSD programs of assistance.

Should the Governor and Executive Council not approve this request, the agreements will not reflect the correct legal names of the contractors and the Department would be in violation of IRS rules, which may result in a fine.

Area Served: Statewide.

EXPLANATION

The purpose of this request is for the Contractors to assess, determine and review applicants' eligibility for disability benefits through Aid for the Permanently and Totally Disabled (APTD), Aid to the Needy Blind (ANB), Medicaid for Employed Adults with Disabilities (MEAD) programs and Home Care for Children with Severe Disabilities (HC-CSD). The Federal Centers for Medicare and Medicaid Services requires appropriate consultants be available to complete medical determinations.

The Contractors provide a wide range of medical and psychiatric expertise in assessing, determining and reviewing medical eligibility of New Hampshire adults applying for disability benefits.

The Contractors will review medical case records, including the written sequential evaluation summary, and make the final determination as to eligibility for disability. The Determination Unit received 3,194 applications in the last State Fiscal Year. The Contractors have provided consultation services for the Department since 2011.

In addition to providing technical expertise, the Contractors work with the Department to identify opportunities for quality improvement of operations and make recommendations for any changes that would improve the quality of services provided to New Hampshire citizens applying for disability benefits through Aid to the Permanently and Totally Disabled, Aid to the Needy Blind, Medicaid for Employed Adults with Disabilities and Home Care for Children with Severe Disabilities programs of assistance.

The Contractors were selected through a competitive bid process. Requests for Applications (RFAs) for a DDU Medical Physician and a DDU Psychiatrist/Psychologist were published on the Department of Health and Human Services' Website from April 3, 2018 to April 26, 2018. The Department received one (1) application in response to each RFA. The applications were reviewed and scored by a team of individuals with program specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the applications. The Bid Summaries are attached.

The Department reserves the right to extend the Agreements for up to three (3) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2020-2021 biennia.

Should the Governor and Executive Council not approve this request, the Department may not have sufficient expert clinical staff to make medical disability determinations within the mandated ninety (90) day time frame. Delays in disability determinations may subject the Department to legal action for noncompliance which has happened in the past.

Area Served: Statewide

Source of Funds: 75% Federal Funds from the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, CFDA #93.778, FAIN #0905NH5028 and 25% General Funds.

In the event that Federal Funds become no longer available, additional General Funds will not be requested to support these agreements.

Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. **INDEMNIFICATION.** The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; and

16. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no

such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS.

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

 - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

EXPLANATION

The purpose of this request is for the Contractors to assess, determine and review applicants' eligibility for disability benefits through Aid for the Permanently and Totally Disabled (APTD), Aid to the Needy Blind (ANB), Medicaid for Employed Adults with Disabilities (MEAD) programs and Home Care for Children with Severe Disabilities (HC-CSD). The Federal Centers for Medicare and Medicaid Services requires appropriate consultants be available to complete medical determinations.

The Contractors provide a wide range of medical and psychiatric expertise in assessing, determining and reviewing medical eligibility of New Hampshire adults applying for disability benefits.

The Contractors will review medical case records, including the written sequential evaluation summary, and make the final determination as to eligibility for disability. The Determination Unit received 3,194 applications in the last State Fiscal Year. The Contractors have provided consultation services for the Department since 2011.

In addition to providing technical expertise, the Contractors work with the Department to identify opportunities for quality improvement of operations and make recommendations for any changes that would improve the quality of services provided to New Hampshire citizens applying for disability benefits through Aid to the Permanently and Totally Disabled, Aid to the Needy Blind, Medicaid for Employed Adults with Disabilities and Home Care for Children with Severe Disabilities programs of assistance.

The Contractors were selected through a competitive bid process. Requests for Applications (RFAs) for a DDU Medical Physician and a DDU Psychiatrist/Psychologist were published on the Department of Health and Human Services' Website from April 3, 2018 to April 26, 2018. The Department received one (1) application in response to each RFA. The applications were reviewed and scored by a team of individuals with program specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the applications. The Bid Summaries are attached.

The Department reserves the right to extend the Agreements for up to three (3) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2020-2021 biennia.

Should the Governor and Executive Council not approve this request, the Department may not have sufficient expert clinical staff to make medical disability determinations within the mandated ninety (90) day time frame. Delays in disability determinations may subject the Department to legal action for noncompliance which has happened in the past.

Area Served: Statewide

Source of Funds: 75% Federal Funds from the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, CFDA #93.778, FAIN #0905NH5028 and 25% General Funds.

In the event that Federal Funds become no longer available, additional General Funds will not be requested to support these agreements.
