03-44-44-442010-3904-301-500580	<u>FY 2019</u>
Dept Environmental Services, DWGW Trust, Loans	\$107,500

EXPLANATION

The Drinking Water and Ground Water Trust Fund was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

On November 2, 2017, the Advisory Commission voted to authorize ten grants and eleven loans to various communities for drinking water improvement projects. The Town of Newport's SCADA System Project request was on the list for an initial round of funding from the Drinking Water and Groundwater Trust Fund (DWGTF). The purpose of this loan agreement is to authorize the Town of Newport to borrow up to \$107,500 from the DWGTF to finance water system improvements. The improvements include the installation of a Supervisory Control and Data Acquisition (SCADA) system at various water system facilities. The project will improve operations and reliability.

The final loan amount will be based on the total DWGTF funds disbursed, and may be less than \$107,500. The Town is eligible for 10% principal forgiveness. The amount of principal forgiveness will be determined when the aggregate principal amount is established and the project is complete.

We respectfully request your approval.

Robert R. Scott
 Commissioner

ORIGINAL LOAN AGREEMENT

6 I. This Agreement is between the State of New Hampshire Drinking Water and Groundwater
7 Trust Fund Loan Program (State) and the **Town of Newport, New Hampshire** (Loan Recipient)
8 in accordance with RSA 485-F for the purpose of financing, to the extent of the aggregate
9 amount of funds transferred (Disbursements) to the Loan Recipient made hereunder, the **SCADA**
10 **System Project** (Project) now being undertaken by the Loan Recipient. The Project is described
11 in Exhibit A. The Loan Recipient shall abide by all of the requirements of RSA 485:F.

12

13 II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the
14 State, in accordance with the terms of this Agreement, the principal sum of **One Hundred Seven**
15 **Thousand Five Hundred and 00/100 Dollars (\$107,500)** (Principal Sum) or such lesser amount
16 as shall equal the aggregate of Disbursements made hereunder by the State to the Loan
17 Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable
18 interest accrued as described in Paragraphs IV, VI, and VIII. Any Disbursement or other
19 payment from the State to the Loan Recipient is contingent upon the availability of funds.

20

21 III. The Loan Recipient is eligible for principal forgiveness. The amount of principal forgiveness
22 is 10% of the total dollar amount of Disbursements and will be determined when the aggregate
23 principal loan amount is established and the project is complete and will be applied to the loan
24 upon the initial repayment.

1 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but
2 not more frequently than monthly, subject to the approval of the amount of each Disbursement
3 by the State. The State shall approve the amount requested if it determines that the costs covered
4 by the request are eligible under and consistent with the purposes of RSA485-F, and consistent
5 with the project application as approved by the N.H. Drinking Water and Groundwater Advisory
6 Commission. Such approval shall be within the sole discretion of the State but shall not be
7 unreasonably withheld. Interest on each Disbursement shall accrue on the outstanding principal
8 balance from the date of the Disbursement at the rate of 1% per annum computed on the basis of
9 30-day months and 360-day years until the date of Substantial Completion of the Project or the
10 date of Scheduled Completion as noted in Paragraph VII, whichever is earlier. At the option of
11 the Loan Recipient, such interest may be paid (1) prior to the commencement of Loan
12 repayment, (2) at the time of the first Loan repayment, or (3) by adding the charges to the
13 outstanding principal Loan balance so long as the Loan Recipient's authority to borrow is not
14 exceeded.

15
16 V. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the
17 Loan Recipient in a Supplemental Loan Agreement issued under and in accordance with the
18 applicable provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended
19 and supplemented, including the provisions of RSA 485-F. The Note shall be substantially in the
20 form of Exhibit B.

21
22 VI. The interest rate applicable to the Note will be **1.515%**.

23
24 VII. The Loan Recipient hereby authorizes the State to compute the payments of principal and
25 interest on the Note. The principal shall be paid in full within **ten (10)** years from the date of the

1 Note. Note payments shall commence within one year of the Substantial Completion date of the
2 Project or the Scheduled Completion date of the project, whichever is earlier. The Scheduled
3 Completion date is hereby determined to be **January 1, 2020**; however, should the project
4 experience an excusable delay, an extension may be granted by the Commissioner of the
5 Department of Environmental Services upon request in writing by the Loan Recipient.

6
7 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any
8 part of the outstanding principal or interest of the Note.

9
10 IX. In the event of a default in the full and timely remittance of any Note payment, any State
11 Grant funds payable to the Loan Recipient under RSA 486-A may be offset against and applied
12 to the payment of any obligations that are due hereunder. The Loan Recipient agrees to be liable
13 for all costs of collection, legal expenses, and attorney's fees incurred or paid by the State in
14 enforcing this Agreement or in collecting any delinquent payments due hereunder.

15
16 X. No delay or omission on the part of the State in exercising any right hereunder shall operate
17 as a waiver of such right or of any other right under this Agreement. A waiver on any one
18 occasion shall not be construed as a bar to any right and/or remedy on any future occasion.

19
20 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all
21 applicable state requirements, including those specific requirements outlined in Exhibit C.

22

10
11 (ii) Interview any officer or employee regarding such transactions.

12
13 The Loan Recipient shall insert subparagraphs (i). and (ii). into the Construction Contract and
14 require the Contractor to insert subparagraphs (i). and (ii). into all subcontracts thereunder.

15
16 XV. The effective date of this Agreement shall be the date of its approval by the Governor and
17 Executive Council. This Agreement may be amended, waived, or discharged only by a written
18 instrument signed by the parties hereto and only after approval of such amendment, waiver, or
19 discharge by the Governor and Executive Council.

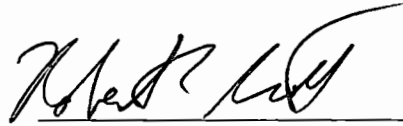

20
21 XVI. This Agreement shall be construed in accordance with the laws of the State of New
22 Hampshire and is binding upon and inures to the benefit of the parties and their respective
23 successors. The parties hereto do not intend to benefit any third parties and, consequently, the
24 Agreement shall not be construed to confer any such benefit.

1 XVII. This Agreement, which may be executed in a number of counterparts, each of which shall
2 be deemed an original, constitutes the entire agreement and understanding between the parties
3 and supersedes all prior agreements and understandings relating thereto. Nothing herein shall be
