REQUESTED ACTION

Authorize the Department of Education, Division of Career Technology and Adult Learning to grant funds to Pinkerton Academy (Vendor Code 154151), Derry, New Hampshire to provide Dropout Prevention services, partnered with Career and Technical Education (CTE) upon Governor and Council approval for the period effective October 2, 2013 through June 30, 2015 in an amount not to exceed \$92,594.00 and authorize unencumbered payment of said grant with internal control within the Department of Education. Funding is **100% State**. Funding is available as follows:

<u>Account No.</u>	<u>Amount</u>	<u>Fiscal Year</u>
06-56-56-561010-6019-606-500936	\$44,893.00	2014
06-56-56-561010-6019-606-500936	\$47,701.00	2015

EXPLANATION

The New Hampshire Department of Education has been appropriated \$600,000.00 for both FY14 and FY15. The Dropout Prevention and Dropout Recovery Oversight Council is the administrative entity designated by the Governor of the State of New Hampshire to receive and administer the Dropout Prevention funds allocated from the State of New Hampshire. These funds will be used for the implementation and oversight of Pinkerton Academy Dropout Prevention Program.

The purposes for the Dropout Prevention funds are to increase graduation rates and reduce dropout rates at the high school level in partnership with Career and Technical Education (CTE) by:

1. Increasing current capacity to students at-risk of dropping out that are between the ages of 16 to 21 and enrolled in secondary education.
2. Collaborating with CTE to implement strategies and/or programs to serve underclassmen entering or enrolled in secondary education to achieve their graduation requirements.

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
September 4, 2013

As a result of SB 18 that increased the age of required attendance of children in school from age 16 to 18 effective July 1, 2009, the Department of Education is requesting authority to contract with Pinkerton Academy to provide dropout prevention/alternative education services. Pinkerton Academy will build upon existing resources and programs which include:

- Adult Education funding for evening adult diploma programs,
- Career and Technical Education programming available through the regional CTE Centers, and
- Follow the Child by promoting student achievement through an emphasis on personalized learning and assessment. This vision for child-centered learning can be met as each school and district best sees fit.

Acknowledging these resources exist and the subsequent gaps, the Department of Education continues to seek alternative education funds to respond to the gaps.

The youth services, employment, and training contract will fulfill all the above-mentioned purposes.

A Request for Proposal (RFP) was released in January 2013. The RFP was sent to former and current recipients of the Dropout Prevention grant. A copy of the RFP was included on the NH Department of Education's web site as well as the Manchester Union Leader and Sunday News from February 3 through February 5, 2013. Nine (9) proposals were reviewed utilizing an evaluation tool that was developed based on the Request for Proposal requirements and scoring system established by the Dropout Prevention and Dropout Recovery Oversight Council and included in the RFP (see Attachment A).

The NH Department of Education Centralized Funding System will be utilized to grant funds to Pinkerton Academy.

Respectfully submitted,

Virginia M. Barry, Ph.D.
Commissioner of Education
