Concurrent Session B – Cleveland Room: All Hands on Deck: Critical Strategies to Strengthen NH's Workforce

Workforce availability is the top business challenge facing Granite State employers and represents a major hurdle for New Hampshire's economic growth in the short and long term. This workshop will explore how educational programs, employer partnership opportunities, and increasing the affordability and availability of housing, along with other key issues, will all be necessary for the state to develop and sustain the workforce New Hampshire employers need to grow and prosper.

Moderator: Michael Skelton, President & CEO, Business & Industry Association

- **Frank Edelblut**, Commissioner, NH Department of Education
- **Mark Rubinstein**, Chancellor, Community College System of New Hampshire

Concurrent Session C – Coolidge Room: Permanent Reauthorization of Expanded Medicaid: Why Employers Care

The New Hampshire Legislature enacted expanded Medicaid a decade ago, opening up healthcare to tens of thousands of residents. Employers supported the initiative, understanding the benefits of a healthy workforce and the reality that costs to provide services to the uninsured often cause higher health insurance costs. The time has come to reauthorize the state's participation in this program, and it's expected to be a top issue in the 2023 legislative session. This panel will look at the benefits of expanded Medicaid, what permanent reauthorization means, and consequences to the state if the program is not renewed.

Moderator: David Juvet, Senior Vice President, Public Policy, Business & Industry Association

- **Matthew Houde**, Director of Government Affairs, Dartmouth Health
 - **Henry Lipman**, NH Medicaid Director, Department of Health & Human Services
