EXPLANATION

The purpose of this request is to ensure legal representation at probable cause hearings held in Circuit Court District Divisions is available for individuals subject to involuntary emergency admission (IEA) to Designated Receiving Facilities located in Concord, Manchester, Portsmouth and Franklin. Contracted attorneys will also meet with individuals whose conditional discharge has been revoked in order to review their legal rights and effectuate any appeal.

Individuals subject to involuntary admission or absolute revocation of conditional discharge have an unconditional right to legal counsel at such hearings or upon re-admission to New Hampshire Hospital as provided in RSA 135-C:22 and RSA 135-C:52.

The Contractors collectively provided representation for 1,798 cases, in State Fiscal Year 2018. Funding for State Fiscal Years 2020 and 2021 allows for representation for up to 2,679 cases each State Fiscal Year.

The Contractors will continue providing legal services at New Hampshire Circuit Courts and Designated Receiving Facilities in their specific coverage areas on individually assigned days. Legal services include:

- Representing individuals at Circuit Court Involuntary Emergency Admission probable cause hearings.
- Meeting personally with individuals to provide consultation and discuss the legal implications of a revocation of conditional discharge.
- Exploring the merits of any avenue of legal recourse, including an appeal of the revocation or other extraordinary remedies.
- Notifying the State as to whether individuals desire to appeal the revocation.

As referenced in Exhibit C-1, Revisions to General Provisions, the Department reserves the right to extend the agreements for up to two (2) additional years, subject to satisfactory vendor performance, continued availability of funding, agreement of the parties and approval from the Governor and Executive Council. Through this request, the Department is exercising a renewal option to extend services by two (2) years, with no additional renewal time remaining.

Should the Governor and Executive Council not authorize this request, the Department may not be able to commit individuals involuntarily, who are mentally ill and dangerous to themselves and others, to New Hampshire Hospital and other Designated Receiving Facilities.

EXPLANATION

The purpose of this request is to provide legal representation at probable cause hearings held in Circuit Court District Divisions for individuals subject to involuntary emergency admission (IEA) to Designated Receiving Facilities located in Concord, Manchester, Portsmouth and Franklin. Contracted attorneys will also meet with individuals whose conditional discharge has been revoked to review their legal rights and effectuate any appeal.

Individuals subject to involuntary admission or absolute revocation of conditional discharge have an unconditional right to legal counsel at such hearings or upon re-admission to New Hampshire Hospital as provided in RSA 135-C:22 and RSA 135-C:52.

The applications were reviewed and scored by a team of individuals with program specific knowledge. The five (5) applications were selected in order for the Department to provide legal representation at involuntary emergency admission probable cause hearings in Concord, Franklin, Portsmouth and Manchester. INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. (3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
 - o The unauthorized person used the protected health information or to whom the disclosure was made;
 - o Whether the protected health information was actually acquired or viewed

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

Through this request, the Department is exercising a renewal option to extend services by two (2) years, with no additional renewal time remaining.

Should the Governor and Executive Council not authorize this request, the Department may not be able to commit individuals involuntarily, who are mentally ill and dangerous to themselves and others, to New Hampshire Hospital and other Designated Receiving Facilities.

EXPLANATION

The purpose of this request is to provide legal representation at probable cause hearings held in Circuit Court District Divisions for individuals subject to involuntary emergency admission (IEA) to Designated Receiving Facilities located in Concord, Manchester, Portsmouth and Franklin. Contracted attorneys will also meet with individuals whose conditional discharge has been revoked to review their legal rights and effectuate any appeal.

Individuals subject to involuntary admission or absolute revocation of conditional discharge have an unconditional right to legal counsel at such hearings or upon re-admission to New Hampshire Hospital as provided in RSA 135-C:22 and RSA 135-C:52.

The Contractors will provide legal services at New Hampshire Circuit Courts and Designated Receiving Facilities in their specific coverage areas on individually assigned days. The five (5) Contractors were selected through a competitive bid process. A Request for Applications was posted on The Department of Health and Human Services' website from February 27, 2017 through March 27, 2017. The Department received five (5) applications. The applications were reviewed and scored by a team of individuals with program specific knowledge. The five (5) applications were selected in order for the Department to provide legal representation at involuntary emergency admission probable cause hearings in Concord, Franklin, Portsmouth and Manchester. The Bid Summary is attached.

The Department reserves the right to extend the agreement for up to two (2) additional years subject to continued availability of funding, satisfactory vendor performance and approval of the Governor and Executive Council.

Notwithstanding any other provision of the Contract to the contrary, no services shall be provided after June 30, 2017, and the Department shall not be liable for any payments for services provided after June 30, 2017, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2018-2019 biennia.

Should Governor and Executive Council not authorize this request, the State may not be able to commit individuals involuntarily, who are mentally ill and dangerous to themselves and others, to New Hampshire Hospital and other Designated Receiving Facilities.

The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Exhibit I

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.
- b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:
 - o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
 - o The unauthorized person used the protected health information or to whom the disclosure was made;
 - o Whether the protected health information was actually acquired or viewed
 - o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

- c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.
- d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (I). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

Exhibit I

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.
- i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. **Definitions and Regulatory References.** All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. **Amendment.** Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

EXPLANATION

The purpose of this request is to ensure legal representation at probable cause hearings held in Circuit Court District Divisions is available for individuals subject to involuntary emergency admission (IEA) to Designated Receiving Facilities located in Concord, Manchester, Portsmouth and Franklin. Contracted attorneys will also meet with individuals whose conditional discharge has been revoked in order to review their legal rights and effectuate any appeal.

Individuals subject to involuntary admission or absolute revocation of conditional discharge have an unconditional right to legal counsel at such hearings or upon re-admission to New Hampshire Hospital as provided in RSA 135-C:22 and RSA 135-C:52.

The Contractors collectively provided representation for 1,798 cases, in State Fiscal Year 2018. Funding for State Fiscal Years 2020 and 2021 allows for representation for up to 2,679 cases each State Fiscal Year.

The Contractors will continue providing legal services at New Hampshire Circuit Courts and Designated Receiving Facilities in their specific coverage areas on individually assigned days. Legal services include:

- Representing individuals at Circuit Court Involuntary Emergency Admission probable cause hearings.
- Meeting personally with individuals to provide consultation and discuss the legal implications of a revocation of conditional discharge.
- Exploring the merits of any avenue of legal recourse, including an appeal of the revocation or other extraordinary remedies.
- Notifying the State as to whether individuals desire to appeal the revocation.

As referenced in Exhibit C-1, Revisions to General Provisions, the Department reserves the right to extend the agreements for up to two (2) additional years, subject to satisfactory vendor performance, continued availability of funding, agreement of the parties and approval from the Governor and Executive Council. Through this request, the Department is exercising a renewal option to extend services by two (2) years, with no additional renewal time remaining.

Should the Governor and Executive Council not authorize this request, the Department may not be able to commit individuals involuntarily, who are mentally ill and dangerous to themselves and others, to New Hampshire Hospital and other Designated Receiving Facilities.

Area served: Statewide

Source of Funds: 100% General Funds.

Respectfully submitted,

Jeffrey A. Meyers
Commissioner
