## EXPLANATION

This request is **sole source** because the New Hampshire Coalition Against Domestic and Sexual Violence is the only agency in the State of New Hampshire working with victims of domestic and sexual violence on a statewide basis and continues to be uniquely qualified to provide these services. As such the Coalition is designated by the Department as the coordinator to administer the domestic violence grant program.

The above action is requested to improve New Hampshire's statewide response to domestic violence. The agreement provides the services of Domestic Violence Specialists to work with families and Division personnel when dealing with domestic violence issues. When a child protective case indicates the potential for or presence of domestic violence, Division staff will call upon the expertise of specialists to begin working with the family as they face this difficult issue. The specialists will also consult with the Division's Child Protective Service Workers; to assist them with crafting case plans that best respond to family needs that may be associated with experiencing domestic violence. In addition, specialists will provide limited case consultation services to Division of Family Assistance staff when they identify the potential for or presence of domestic violence in a family receiving Temporary Assistance to Needy Families. This agreement will also satisfy the Family Violence Prevention and Services Act requirement of providing a complete description of the process and procedures used to involve the State Domestic Violence Coalition and others in the State planning process and the requirement to provide complete documentation of consultation with and participation of the State Domestic Violence Coalition in the administration and distribution of Family Violence Prevention and Services Act grants and grant funds awarded to the State.

The Coalition has successfully provided this service for several years. It continues to build its network of domestic violence programs and cooperative relationships with independent community-based agencies. With the Coalition's assistance, the Division has made great strides in addressing the domestic violence issues that impact the children and families served by the Division. Given the Coalition's past performance and plans for ongoing improvement of this program, the Division fully supports this agreement.

The attached agreement calls for the provision of these services for one year and reserves the Division's right to renew the agreement for up to two additional years based on the satisfactory delivery of services, continued availability of supporting funds, and Governor and Executive Council approval.

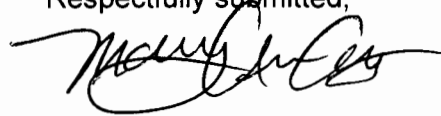

Should Governor and Executive Council not approve this agreement, it will seriously impact the State's ability to fulfill the Family Violence Prevention and Services Act requirement of providing complete documentation of consultation with and participation of the State Domestic Violence Coalition in the administration and distribution of Family Violence Prevention Services Act grants and grant funds awarded to the State.

Geographic area served: Statewide

Source of funds: 100 % Federal fund from the Catalog of Federal Domestic Assistance (CFDA) # 93.556, Federal Agency Department of Health and Human Services, Administration for Children and Families, Promoting Safe and Stable Families; and # 93.671, Federal Agency Department of Health and Human Services, Administration for Children and Families, Family Violence Prevention and Services/State Domestic Violence Coalitions.

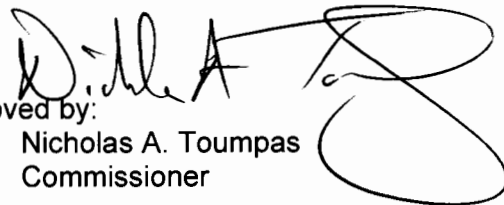

In the event that the federal funds become no longer available, general funds will not be requested to support this program.

Respectfully submitted,

Mary Ann Cooney

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

- d. - f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

**(4) Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

**(6) Miscellaneous**

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
New Hampshire Coalition  
Against Domestic and Sexual Violence  
Concord, New Hampshire

We have audited the accompanying financial statements New Hampshire Coalition Against Domestic and Sexual Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014 and the related statement of activities and changes in net assets, statement of functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information has been derived from New Hampshire Coalition Against Domestic and Sexual Violence's 2013 financial statements and, in our report dated September 20, 2013; we expressed an unqualified opinion on those financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Hampshire Coalition Against Domestic and Sexual Violence as of June 30, 2014 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 5, 2014, on our consideration of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting and compliance.

**NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

The New Hampshire Coalition Against Domestic and Sexual Violence (the Coalition) is a statewide network of 14 independent member programs committed to ending domestic and sexual violence. The Coalition assists its member groups by providing technical assistance and training, support in developing new programs, and by serving as a statewide clearinghouse and coordinating organization. It administers state and federal contracts that provide funding for its member programs.

**Vision**

All New Hampshire communities provide safety for every person.

**Mission**

The New Hampshire Coalition Against Domestic and Sexual Violence creates safe and just communities through advocacy, prevention and empowerment of anyone affected by sexual violence, domestic violence and stalking.

This mission is accomplished by the Coalition, which includes 14 independent community-based member programs, a board of directors and a central staff working together to:

- Influence public policy on the local, state and national levels;
- Ensure that quality services are provided to victims;
- Promote the accountability of societal systems and communities for their responses to sexual violence, domestic violence and stalking;
- Prevent violence and abuse before they occur.

The Coalition is an umbrella organization that provides technical and financial support to 14 member agency crisis centers who in turn provide services to survivors of sexual assault, domestic violence, human trafficking, and stalking.

The Coalition supports member agency staff with specialized training and resources, convenes member programs to facilitate shared learning and peer support, and collects and disseminates best practices and current information. Coalition staff participates in numerous statewide boards and commissions to advocate for effective responses to victims.

Coalition staff provides legal education and training to court and law enforcement officials and attorneys, and collaborates with legal assistance organizations that provide lawyers for survivors and their families. Coalition staff work to promote cross-system collaboration with child protective services and child advocacy centers to assure safety for children exposed to or who have experienced domestic and sexual violence, and for their parents.

The Coalition's Public Policy staff work closely with other advocacy groups and legislators on drafting legislation, organizing testimony, and advocating for policy change throughout the session. The Coalition either takes an active role in or tracks close to 150 bills each Legislative Session. These bills address a wide range of issues including domestic and sexual violence; stalking; family law; divorce and child custody/visitation/support; reproductive rights; judicial matters and law enforcement; privacy and personal information; healthcare; and economic justice issues.

Notes to Financial Statements  
Years Ended June 30, 2014 and 2013**

**NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Nature of Activities (Continued)**

The Coalition develops statewide plans to prevent domestic and sexual violence. Coalition staff is proactive in educating the public on the causes and effects of domestic and sexual violence and stalking and the services available across the state. The Coalition has sponsored research on the prevalence of violence in New Hampshire. Coalition staff provides resources and sources for responsible news media and reporting.

The Coalition also manages several specific programs to assist its member crisis centers and the public. The following are three distinct programs that directly affect survivors of domestic violence, sexual violence and stalking:

**AmeriCorps Victim Assistance Program (AVAP)**

The AmeriCorps Victim Assistance Program (AVAP) is a multi-agency collaboration housed by the Coalition that ensures direct services are available to victims of domestic and sexual violence and stalking throughout New Hampshire.

Members of the AmeriCorps Victim Assistance Program are placed throughout New Hampshire at crisis centers, police departments, prosecutor offices, the New Hampshire Department of Corrections, and child advocacy centers to offer support and information to victims of domestic and sexual violence and stalking. Providing support and advocacy to victims in district court is a core component of AVAP, extending the services that are available to victims throughout the state.

AVAP is part of AmeriCorps, a national service program that offers opportunities to Americans who are interested in making a substantial commitment to serve their country through national service.

**Sexual Assault Nurse Examiner (SANE) Program**

The Sexual Assault Nurse Examiner Program, known as SANE, is a joint project of the Coalition and the NH Department of Justice. A Sexual Assault Nurse Examiner is a Registered Nurse who has been specially trained to provide comprehensive care to sexual assault survivors, who demonstrates competency in conducting medical/forensic examinations and who has the ability to be a witness if a sexual assault case goes to trial. Coalition staff are responsible for working with registered SANEs and medical professionals across the state to ensure that sexual assault victims receive consistent and professional care during forensic exams. The NH Department of Justice and the Coalition co-convene the SANE Advisory Board.

**The Domestic Violence Specialist Program**

Research shows a high correlation (40-60%) between the perpetration of domestic violence and the perpetration of child abuse and neglect (co-occurrence) in the same family. The Domestic Violence Specialist Program was built on the principle that abused and neglected children are best served when they can remain in a safe household with a non-violent parent.

The Domestic Violence Specialist program began in 1998 as a coordinated effort between the Coalition and the Division for Children, Youth, and Families (DCYF). Domestic Violence Specialists (DVSs) are employed by local member programs of the Coalition, and are co-located at local District Offices of DCYF. The DVSs are a source of assistance and training to child protective service workers (CPSW) while providing advocacy services to victims of domestic violence involved with DCYF. This program results in more effective assistance to victims through the development of interventions that recognize the adult victim's need for support and advocacy in order to improve safety outcomes for children.

**NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Significant Accounting Policies**

The financial statements of the Coalition have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to not-for-profits. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing accounting and financial reporting principles for not-for-profits. The more significant of the FASB's generally accepted accounting principles applicable to the Coalition, and the Coalition's conformity with such principles, are described below. These disclosures are an integral part of the Coalition's financial statements.

**Financial Statement Presentation**

The Coalition is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Coalition is required to present a statement of cash flows. The Coalition additionally maintains a classification of land, building and equipment within its unrestricted net asset statements of activity, which is combined into total unrestricted net assets.

**Grants Receivable and Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Coalition that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

**Contributed Services**

During the years ended June 30, 2014 and 2013, the value of contributed services relating to printing, community education, direct training and professional fees were \$113,579 and \$169,539, respectively. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Coalition, these amounts have not been recognized in the accompanying statement of activities because the criterion for recognition of such volunteer effort is that services must be specialized skills, which would be purchased if not donated.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**New Hampshire Coalition Against Domestic and Sexual Violence**  
**Notes to Financial Statements**  
**Years Ended June 30, 2014 and 2013**

**NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES, (continued)**

**Allocation of Expenses**

The Coalition allocates expenses among program services, management and general, and fundraising based on direct costs and other factors, including space utilization and time.

**Property and Equipment**

It is the Coalition's policy to capitalize property and equipment over \$500 and all expenditures for repairs, maintenance, renewals and betterments that prolong the useful lives of assets. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Coalition reports expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Coalition reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method. The ranges of useful lives are as follows:

Building and Improvements	39 Years
Equipment	3-7 Years

Depreciation expense recorded by the Coalition for the years ended June 30, 2014 and 2013 was \$12,648 and \$15,608, respectively.

**Income Taxes**

The Coalition is a not-for-profit corporation under Section 501(c) (3) of the Internal Revenue Code, is exempt from federal income taxes, and is classified as other than a private foundation. In addition, the Coalition qualifies for the charitable contribution deduction under Section 170(b)(1)(A).

**Cash and Cash Equivalents**

For purposes of the Statements of Cash Flows, the Coalition considers all highly liquid investments (short-term investments such as certificates of deposits and money market accounts) with an initial maturity of three months or less to be cash equivalents. There were no cash equivalents as of June 30, 2014 and 2013.

**Segregation of Accounts**

Under Title 1, New Hampshire, The State and Its Government, Chapter 15 Lobbyist Section 15:1-a, the Coalition is required to physically and financially separate state funds from any non-state funds that may be used for the purposes of lobby or attempt to influence legislations, participate in political activity, or contribute funds to any entity engaged in these activities. The Coalition has established and maintains a separate bank account for this purpose. The account balances were \$3,019 and \$448 at June 30, 2014 and 2013, respectively.

**NOTE E – CONCENTRATION OF CREDIT RISK**

The Coalition maintains cash balances in several accounts at a local bank. These accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2014 and 2013 the Organization had \$91,408 and \$101,144 uninsured cash balances, respectively.

**NOTE F – DESCRIPTION OF LEASING ARRANGEMENTS**

The Coalition presently leases office equipment under short-term operating lease agreements.

**NOTE G – PENSION PLAN**

The Coalition has a 403(b) savings plan for the benefit of its employees. The plan covers substantially all employees after one year of service. During their budgeting process, the Board of Directors determines the amount to be contributed annually. Employer contributions for the years ended June 30, 2014 and 2013 totaled \$3,889 and \$6,765, respectively.

**NOTE H - TAX EXEMPT STATUS**

The Coalition is a public charity exempt from Federal income tax under Section 501 (c) (3) of the Internal Revenue Code. The Coalition does not believe it has done anything during the past year that would jeopardize its tax exempt status at either the state or Federal level. The Coalition reports its activities to the IRS in an annual information return. These filings are subject to review by the taxing authorities and the federal income tax returns for 2013, 2012, and 2011 are subject to examination by the IRS, generally for three years after they were filed.

In accordance with FASB ASC 740-10, Accounting for Uncertainty in Income Taxes, the Coalition is under the opinion that there are no unsustainable positions that have been taken in regards to federal or state income tax reporting requirements. Accordingly, management is not aware of any unrecognized tax benefits or liabilities that should be recognized in the accompanying statements.

**NOTE I - SUBSEQUENT EVENT**

Management has evaluated subsequent events through September 5, 2014, the date on which the financial statements were available to be issued to determine if any are of such significance to require disclosure. It has been determined that no subsequent events matching this criterion occurred during this period.

**NOTE J - FAIR VALUE MEASUREMENTS**

In accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, the Coalition is required to disclose certain information about its financial assets and liabilities. As of June 30, 2014 and 2013 the Organization had no financial instruments subject to the disclosure requirements. Cash and cash equivalents, grants receivable, investments, accounts payable and accrued expenses reported in the statement of financial position approximate fair values because of the short maturities of those instruments or because of the fixed rate of interest required to be paid.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
New Hampshire Coalition  
Against Domestic and Sexual Violence  
Concord, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of New Hampshire Coalition Against Domestic and Sexual Violence, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise New Hampshire Coalition Against Domestic and Sexual Violence's basic financial statements, and have issued our report thereon dated September 5, 2014.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether New Hampshire Coalition Against Domestic and Sexual Violence's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors  
New Hampshire Coalition  
Against Domestic and Sexual Violence  
Concord, New Hampshire

### Report on Compliance for Each Major Federal Award Program

We have audited New Hampshire Coalition Against Domestic and Sexual Violence's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs for the year ended June 30, 2014. New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of New Hampshire Coalition Against Domestic and Sexual Violence's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about New Hampshire Coalition Against Domestic and Sexual Violence's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of New Hampshire Coalition Against Domestic and Sexual Violence's compliance.

### Opinion on Each Major Federal Program

In our opinion, New Hampshire Coalition Against Domestic and Sexual Violence complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

## Report on Internal Control over Compliance

Management of New Hampshire Coalition Against Domestic and Sexual Violence is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of New Hampshire Coalition Against Domestic and Sexual Violence's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
