Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
September 12, 2018

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Spears Bros. Building Salvage & Wrecking (Vendor 277180) of Laconia, NH on the basis of a low bid of \$115,129.00 for demolition of three buildings in Litchfield, from the date of Governor and Council approval through May 31, 2019 unless extended by the Department in accordance with the Standard Specifications. 100% Turnpike Funds (Intra-Agency Transfers).

Funding is available in State Fiscal Year 2019 as follows:

Funding is available as follows:	<u>FY 2019</u>
04-96-961017-7507	
Central New Hampshire Turnpike	
400-500870 Highway Contract Payments	\$115,129.00

2. Further authorize that a contingency in the amount of \$5,756.45 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2019</u>
04-96-961017-7507	
Central New Hampshire Turnpike	
400-500870 Highway Contract Payments	\$5,756.45

**EXPLANATION**

This project is part of the Turnpike Capital Program. This project consists of the demolition of three (3) houses in Litchfield located within the Circumferential Highway corridor. All aspects of the residences will be removed including septic systems, foundations; all utilities will be decommissioned. Hazardous material (asbestos, lead-bearing paint, general household contaminants, mercury switches, etc.) investigations have been completed and the findings included in the contract documents. Hazardous material abatement will be completed under the contract at each residence prior to demolition with oversight from the NHDOT Hazardous Waste Consultant (RFP Environmental, Inc.). The houses are listed by location and identified as follows:

Location	Town	Parcel	Location (Route)	Year Constructed
1	Litchfield	#147 (Map 01 Lot 026)	15 Charles Bancroft Hwy (NH 3A)	1800
2	Litchfield	#116 (Map 02 Lot 010)	231 Derry Road (NH 102)	1961
3	Litchfield	#132 (Map 02 Lot 127)	242-A Derry Road (NH 102)	1950

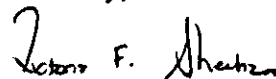

The structures have fallen into a state of disrepair and have advanced deterioration of many elements of the structure (i.e. roof, foundations, general exterior/siding, etc.). Further they have been vandalized and pose a general safety concern. Significant funding would be required to rehabilitate the residences to a condition that would allow for leasing again to the public and is not feasible from a benefit-cost perspective.

The contingency is proposed to be 5% of the contract amount due to the potential for unforeseen issues during demolition.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner
