REQUESTED ACTION

Authorize the Department of Transportation to amend a grant to the City of Lebanon, NH (Vendor Code 177422) for AIP-42, to implement the second phase of an Environmental Assessment (EA) for the Lebanon Municipal Airport by extending the completion date to December 31, 2013, from the original grant end date of September 30, 2013. No additional funding is involved in this time extension. The original grant was approved by Governor and Council on September 9, 2009, Item #125 (attached).

EXPLANATION

A time extension for this grant is needed for the consultant to complete additional study tasks and public meetings as it relates to the environmental assessment project to address local issues, such as aircraft noise, tree removal and runway usage. In addition, time is needed to complete the final closeout documentation for this project.

Your approval of this resolution is respectfully requested.

Sincerely,

Christopher D. Clement, Sr.
Commissioner
