

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

110 Benker

CHRISTOPHER D. CLEMENT, SR.
COMMISSIONER

JEFF BRILLHART, P.E.
ASSISTANT COMMISSIONER

Bureau of Construction
July 18, 2013

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Delucca Fence Company, Inc. (Vendor 161385) of Belmont, NH on the basis of a low bid of \$863,998.00 for replacement of approximately 100 terminal "F" guardrail end units at various locations, from the date of Governor and Council approval through August 22, 2014 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows:
04-96-96-963515-3054
Consolidated Federal Aid
400-500870 Highway Contract Payments \$863,998.00
FY 2014

2. Further authorize that a contingency in the amount of \$60,479.86 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 7% of the contract amount.

Funding is available as follows:
04-96-96-963515-3054
Consolidated Federal Aid
400-500870 Highway Contract Payments \$60,479.86
FY 2014

EXPLANATION

This project is part of the annual Highway Safety Improvement Program. The intent of the project is to replace the existing sub-standard "F" terminal guardrail end units with new, approved crash-tested beam guardrail end units, and extend the guardrail where necessary, to bring the guardrail up to current standards. The work involves approximately 100 installations at various locations over a distance of approximately 80 miles. The existing F-Units were originally constructed in the mid 1980's. These "F" shape terminal end units, which drive into the ground, have been shown to be a safety hazard in themselves and do not meet current safety standards and require replacement.

The contingency amount is proposed to be 7% of the contract amount due to unanticipated guardrail extensions, grading and environmental protection measures based on varying field conditions and multiple mobilizations throughout District II.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 90% federal funds with 10% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Handwritten signature in black ink, appearing to read "C.D. Clement, Sr." with a stylized flourish at the end.

Christopher D. Clement, Sr.
Commissioner

CDC/md

Department Estimate: \$964,419.80
Contract Amount: \$863,998.00
Under Estimate: \$100,421.80

Attachments

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project involves replacement of approximately 100 terminal "F" guardrail end units with current standard w-beam guardrail end units at various locations and encompasses a distance of approximately 80 miles. The new guardrail terminal end units will be installed approximately in the same location as the obsolete rail. Some minor extensions of guardrail may be associated with these end section replacements.

The work is located in the Towns and Routes as follows:

- Andover, Danbury and Grafton on US Route 4,
- Warner, Newbury, Sunapee and Newport on NH Route 103,
- Croydon, Orford, Piermont and Haverhill on NH Route 10,
- Claremont, Cornish and Plainfield on NH Route 12A,
- Cornish, Lebanon and Hanover on NH Route 120,
- Plymouth, Rumney, and Wentworth on NH Route 25,
- Orford on NH Route 25A and
- Woodstock on NH Route 112.

FEDERAL FUNDING: The Construction funding is identified from the Highway Safety Improvement Program (HSIP #6767) at 90% federal funding with the anticipated utilization of Turnpike Toll Credits as the State's 10% match.

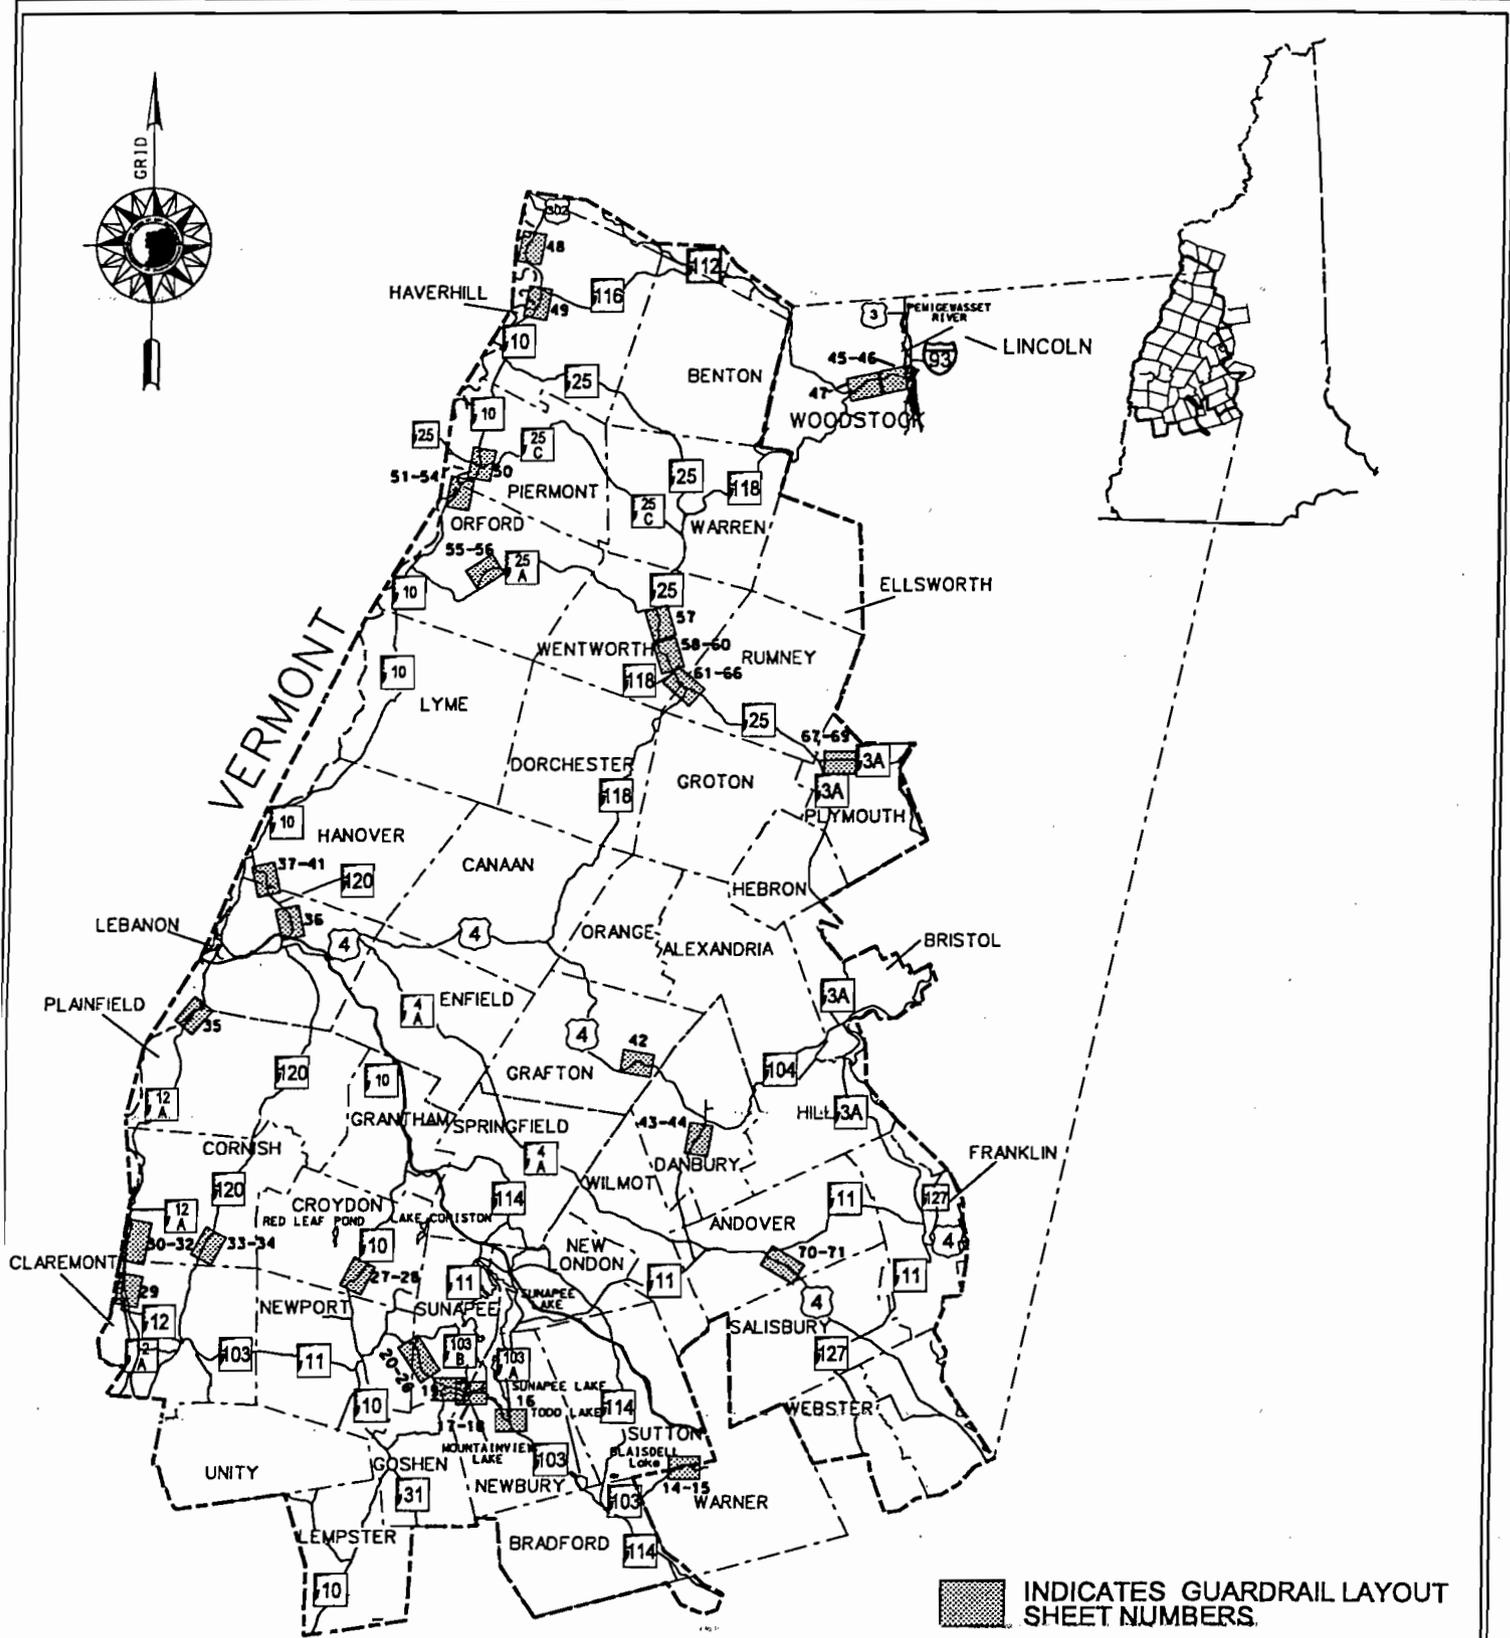

CONTINGENCY: The Contingency amount is proposed to be 7% of the contract amount to account due to unanticipated guardrail extensions, grading and environmental protection measures based on varying field conditions and multiple mobilizations throughout District 2.

PROJECT INITIATED: State's Ten-Year Transportation Improvement Program

PROJECT EXPLANATION: This project is part of the Highway Safety Improvement Program's safety improvements for 2013. The intent of the project is to replace the existing sub-standard "F" terminal end unit guardrail with new steel post and beam guardrail and extend the guardrail where necessary to bring the guardrail up to current standards. The existing F-Units were originally constructed in the mid 1980's. These "F" shape terminal end units, which dive into the ground, are attached to a concrete anchor and do not meet current safety standards and require replacement.

TRAFFIC IMPLICATIONS: Alternating one-way traffic will be permitted with the use of flaggers or uniformed officers. A 14-foot minimum width lane will be provided for alternating one-way traffic and will be restored to two-way traffic prior to non-work hours. Daytime shoulder closures will be permitted in conjunction with traffic shifts allowing for guardrail and other operations, where feasible.

COMPLETION DATE: August 22, 2014

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), A AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
