Dear NASC Executive Council,

Welcome to the 2019 National Assembly of Sportsmen's Caucuses (NASC) Executive Council Mid-Year Meeting. Since the launch of the NASC in December of 2004, the network has grown from 21 to 49 member states, now with a collective membership of over 2,000 state legislators. We look forward to discussing the evolution and future of NASC with each of you and hearing your ideas as we continue to strengthen the NASC program and increase its effectiveness for the benefit of America's sportsmen and women.

As Executive Council members, the advice and ideas you provide to this program are vital to its continued development and success. The NASC provides timely, accurate, and important information to the caucuses we serve, and each of you contribute greatly to these achievements.

The meetings and activities of these few days are important to the protection and advancement of our sporting traditions through ensuring that the NASC network remains the vibrant program that it has become. It is a time for rekindling friendships as well as a business meeting for discussing current topics and trends affecting the NASC and the states we serve.

We would like to extend a special thank you to our host-state of Louisiana and Representative Jerome Zeringue for inviting us to visit this beautiful state and for helping produce another successful NASC Executive Council Mid-Year Meeting.

Thank you for all your time, dedication, and service to the NASC.

Senator Bill Heath
President, NASC Executive Council

Jeff Crane
