REQUESTED ACTION

The Office of Energy and Planning (OEP) respectfully requests authorization to enter into a **SOLE SOURCE** contract with Southwestern Community Services, Inc., (VC #177511), Keene, NH, in the amount of \$5,408.00 for the Senior Energy Assistance Services Program (SEAS) effective October 1, 2014 through June 30, 2015, contingent upon Governor and Executive Council approval. 100% Other Funds (NH DHHS).

EXPLANATION

The Senior Energy Assistance Services (SEAS) Program makes home energy more affordable for households with members who are sixty years of age or older and not eligible for the New Hampshire Fuel Assistance Program under the current income limits of 200% FPG but are experiencing a home energy hardship. This contract is **SOLE SOURCE** based on the historical performance of the community action agencies with the New Hampshire Fuel Assistance Program. The community action agencies determine eligibility for the Fuel Assistance Program and are able to efficiently distribute these funds to households in need that are not eligible for that program.

A federal grant from Older Americans Act funds (Title IIIB) awarded to the New Hampshire Department of Health and Human Services (NH DHHS) Division of Elderly and Adult Services provides funding for the Senior Energy Assistance Services Program.

In the event that the Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Meredith A. Hatfield

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Southwestern Community Services, Inc.
Keene, New Hampshire

Report on the Financial Statements

We have audited the accompanying combined financial statements of Southwestern Community Services, Inc., which comprise the combined statements of financial position as of May 31, 2013 and 2012, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgments, including assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Southwestern Community Services, Inc. as of May 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2014, on our consideration of Southwestern Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwestern Community Services, Inc.'s internal control over financial reporting and compliance.
