EXPLANATION

The EUDL Program supports and enhances efforts by states and local jurisdictions to prohibit the sale of alcoholic beverages to minors and the purchase and consumption of alcoholic beverages by minors.

These supplemental sub grants will allow the sub grantees to continue their educational and enforcement-related activities in their communities and in their regions.

The grant funds will be utilized for such activities as increased enforcement patrols, controlled party dispersal activities, on-site and off-site liquor establishment compliance checks and other innovative programs designed to reduce underage drinking. A portion of these grant funds will also be used to support the ongoing education and outreach activities that were undertaken by the sub grantees.

In the event that federal funds become unavailable, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Joseph A. Foster
Attorney General
