

The State of New Hampshire
DEPARTMENT OF ENVIRONMENTAL SERVICES

Thomas S. Burack, Commissioner

December 26, 2013

Her Excellency, Governor Margaret Wood Hassan
and The Honorable Council
State House
Concord, New Hampshire 03301

Sole Source

REQUESTED ACTION

Authorize the Department of Environmental Services (DES) to enter into a **SOLE SOURCE** Agreement with Sawyer Mill Associates, Inc., Dover, NH (VC # 253406) in the amount of \$10,000.00 for feasibility studies, design, and permitting associated with the removal of the Sawyer Mills Upper and Lower Dams, effective upon approval from Governor & Council through December 15, 2015. Funding is 100% Federal Funds.

Funds are available in the account as follows:

	<u>FY 2014</u>
03-44-44-442010-3860-102-500731	\$10,000.00
Dept. of Environmental Services, Dam Removal Projects Federal, Contracts for Program Services	

EXPLANATION

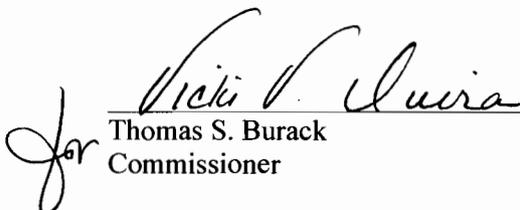

Funding for this Agreement is from a Cooperative Agreement between DES and the U.S. Fish and Wildlife Service (USFWS), entered into under the authority of the Fish and Wildlife Act of 1956 and the Partners for Fish and Wildlife Program Act of 2006. The voluntary removal of certain unwanted dams can be desirable projects for support from the USFWS, including the removal of dams on rivers that have unimpeded access to the ocean. Under this request, DES proposes to use funding received from a Cooperative Agreement with the USFWS to partially fund certain feasibility studies, design, and permitting activities associated with the removal of the Sawyer Mills Upper and Lower Dams on the Bellamy River in Dover.

Only certain State, Tribal, and Local Government agencies are eligible for funds from this USFWS grant program, and these funds are passed through in the form of assistance for approved projects. DES entered into a Cooperative Agreement with the USFWS to provide assistance to the dam owner for costs associated with removal of the Sawyer Mills Upper and Lower Dams. This agreement is **sole source** because DES is only making this funding available to Sawyer Mill Associates, Inc., owner of the Sawyer Mills Upper and Lower Dams, as the most effective way to use the funds for the intended purpose.

The total project cost for this Agreement is \$10,000.00. In the event that Federal Funds are no longer available, General Funds will not be requested to support this project.

This Agreement has been approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

Thomas S. Burack
Commissioner

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee of Subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

18. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
