Sullivan County Department of Corrections	177482-B007	\$7,500

EXPLANATION

The Residential Substance Abuse Treatment for State Prisoners (RSAT) Formula Grant Program assists states and units of local government in developing and implementing residential substance abuse treatment programs in state and local correctional and detention facilities in which prisoners are incarcerated for a sufficient period of time to permit substance abuse treatment. This sub grant supports a multi-phase substance abuse treatment program that includes both pre-release and aftercare treatment. A mandatory 10% of the State's RSAT allocation has been passed through to county correctional facilities since 2003.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,
