Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
 18. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
 19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

Primex³ Contract Review

Member Name: Merrimack County

Title of Contract: Department of Justice Grant

Member Contact: Melinda Harrison

Date: April 2, 2018

Dear Mel,

Thank you very much for sending us your contract for review and feedback. By working together, we can hopefully improve the contract's alignment with coverage and minimize your assumption of liability. Our review, as your pooled coverage provider, is specifically focused on language that transfers liabilities through indemnification clauses, additional insured certificates and waivers of rights, such as our right to recoup loss payments on your behalf through subrogation. In addition to considering our feedback, we strongly recommend that you review the contract in its entirety with your legal counsel. We have included below language from our insuring document that explains the scope and limits of coverage available for your contractual promises to defend and indemnify third parties. Our recommendations provided on this form do not increase or decrease the coverage available for contractual liability.

Recommendations:

The indemnification clause in Paragraph 16 is limited to the restrictions below.

We appreciate your commitment to risk management, and hope this review is helpful to you. Please don't hesitate to call us if you have any questions or if we can be of further assistance.

Thank you,

Amy Poole

Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3). <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Department of Corrections (Applicant) certifies that any funds awarded through **grant number 2017RSA34** shall be used to **supplement** existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Helen E. Hanks (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
