### REQUESTED ACTION

Authorize the Department of Education to grant funds in accordance with the Carl D. Perkins Career and Technical Education Act of 2006 to Merrimack County Department of Corrections, Boscawen, NH (Vendor Code 177435), in the amount of \$19,544 to assist in the operation of their approved career and technical education programs for offenders for the period effective from Governor & Council approval through July 30, 2019. 100% federal funds.

Funds to support this request are available in the account entitled CTE Vocational Education-Federal as follows:

06-56-56-566010-60320000-072-502650 Grants-Federal	<u>FY19</u>
	\$19,544

### EXPLANATION

The Career and Technical Education Grant received by the State allows for sub grants to be made to non-public recipients to assist them in operating their career and technical education or apprenticeship programs. We are asking for approval to make a grant to the Merrimack County Department of Corrections based on an application that has been submitted to and approved by the Department of Education.

A Request for Proposal was released to eligible applicants on January 31, 2018. Two proposals were received from Belknap County Department of Corrections/Men and Woman and Merrimack County Department of Corrections/Men and Woman. The proposals were reviewed by the Department of Education, Career Development Bureau Administrator and Education Consultants. All have experience in evaluation of state institutions RFP submissions utilizing an evaluation tool that was developed by department staff (Attachment A). The reviewers recommended funding Belknap County Department of Corrections, which will provide program instruction to 225 offenders (male and female) in ServSafe, RRP Lead Paint Certification, Microsoft certification and OSHA 10, in the amount of \$49,000 and Merrimack County Department of Corrections, which will provide program instruction to 40 offenders (male and female) in ServSafe, medical billing and accounts receivable, Microsoft Office certification, and OSHA 10 in the amount of \$19,544.

The rationale to fund two proposals is based upon the Carl D. Perkins Act of 2006. Section 124 states that funds are required to be used to serve individuals in State Institutions, such as State correctional institutions. Both proposals address service provisions to individuals in State correctional institutions. Both provisions also target delivery of technical skills training and certification in industries for which NH currently has high demand for employees. Constructive ties to the community and provision of self-sustaining resources (such as employment) are proven components in lowering recidivism rates of incarcerated individuals.

His Excellency, Governor Christopher T. Sununu  
And the Honorable Council

  - 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
  - 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

**Services to be Provided**

1. The contractor shall offer SERVSAFE Employee Starter Program and Managers Program, OSHA 10 Training, and Microsoft Office classes to incarcerated individuals between the ages of 14 and 24. 1. Inmate Population May 2018	358
2. Enrollment Goal during Project Period	40
