**\*Process to Access and Administer Allocations from the RDC Consultant Fund**

1. Up to \$80,000 is available in this Fund, as part of the NHARDC Business TA grant #22-405-CDCA, with a project period of July 1, 2022 - June 30, 2023.
2. Proposals may be submitted by individual RDCs, a group of RDCs or the Alliance on behalf of all RDC members.
3. Funds must be used to pay a consultant, not RDC staff.
4. Discuss your potential project with CDFA's Director of Economic Development (Director) to determine initial eligibility. Proposals may be in any amount up to \$20,000 (larger amounts are possible in consultation with Director).
5. Submit a written proposal (email Director, cc Grant Administrator) describing the project, including:
  - Intended use of funds and how need was determined;
  - How the project fits with the RDC's strategic goals;
  - Amount requested and total project budget; and
  - Commitment to provide matching funds and job creation (one job per \$20K requested)
6. Director to review proposal and discuss any questions with RDC. After the proposal is approved (to be confirmed with a letter), RDC will need to prepare and circulate a "request for services," or a "request for qualifications," whichever is appropriate, obtaining at least two (2) quotes or responses.

*Note: The aggregate amount of the Consultant Fund (\$80,000) falls under the Federal small-purchase guidelines, which only require obtaining at least two quotes to establish the cost for the service in lieu of a formal RFP, or at least two qualification statements in lieu of a formal RFQ.*

7. When you have chosen a provider, prepare a service agreement between the provider and the RDC (or the Alliance if proposal will serve all RDCs). The service agreement should specify the activities, schedule, cost, reporting, invoicing and any other requirements the RDC has. Be sure to indicate sufficient time between invoicing and payment to account for the CDFA claim process (suggest 90-120 days).
8. After the service has been provided, the consultant should submit a report or other evidence of service provided to the RDC, attaching an invoice addressed to the RDC.
9. The RDC should approve the invoice(s) and report(s), then prepare an invoice to the NHARDC for the consultant services on a quarterly basis. This invoice should be separate from the Business TA invoice. Match should also be provided to Grant Administrator at the same time.
10. Grant Administrator will submit the report(s) and invoice(s) on the regular claim schedule, i.e. October, January, April and July. Once the NHARDC receives the funds from Grafton County/CDFA, NHARDC will pay the invoice(s) to the RDC.

**County of Grafton/NH Alliance of Regional Development Corporations/Business Technical Assistance Program – \$267,000 (Economic Development)**

<b>Applicant</b>	Grafton County
<b>Subrecipient</b>	NH Alliance of Regional Development Corporations
<b>Project Name</b>	Business Technical Assistance Program
<b>Project Location</b>	Statewide
<b>Request</b>	\$267,000
<b>Recommended Award</b>	\$267,000
<b>Total Number of Jobs</b>	14 Jobs
<b>LMI People</b>	14
<b>HUD CDBG National Objective</b>	LMJ – Low Moderate Income Job Benefit
<b>HUD CDBG Eligible Activity</b>	18A – ED Assistance to For-Profits - 570.203(b)
<b>Economic Development Category</b>	RDC/ Business Technical Assistance Funding

**Introduction**

Grafton County, on behalf of New Hampshire's nine Regional Development Corporations (RDCs), is seeking \$267,000 to provide technical assistance to New Hampshire businesses. CDFA recommends funding the application with an award of \$267,000. Specifically, technical assistance to a business will be for one of the following eligible activities:

- Establishing and managing a budget for the business;
- Helping the business to prepare a loan request;
- Marketing or development of a marketing plan;
- Developing signage, marketing materials or a logo; and/or
- Creating a plan to provide, or partner to provide, workforce training and development.

Along with the administrative cost of \$16,000, the project would divide \$171,000 equally among the nine RDCs (\$19,000 per RDC) and make available an additional \$80,000 on a competitive basis to be used for outside consultant support to businesses – services that are beyond the scope or expertise of RDC staff.

**RDC Qualifications**

New Hampshire's RDCs are focused on providing financial and other support to businesses and communities through various loan programs, technical assistance and initiatives that promote economic development, foster the creation of quality jobs, and enhance the economic well-being of New Hampshire's local communities. RDCs are an important component of the economic-development delivery system for CDBG funds in New Hampshire.

The RDCs have these fundamental traits in common:

- Registered with the NH Secretary of State as a not-for-profit organization;
- Incorporated for the primary purpose of providing economic development services to a specific geographic region;
- Administer a revolving loan fund;
- Serve low- and moderate-income constituents through job creation and retention;
- Have experience and capacity to finance economic-development projects;
- Have equal membership on its representative body available to each of the municipalities in its chartered area and elects its governing board by vote of its membership; and
- Not an instrumentality of a CDBG grantee (i.e. town or county).

Each RDC also is a member of the New Hampshire Alliance of Regional Development Corporations (NHARDC). The mission of the NHARDC is:

- 1) To enhance the economic well-being of the State of New Hampshire, through the provision of services to communities, businesses, and citizens of the state;
- 2) To enhance the economic stability and opportunities of the state; and
- 3) To promote and develop the welfare and economic well-being of the residents of the State of New Hampshire by assisting, promoting, and encouraging economic development growth and prosperity in a manner consistent with employment needs of its citizens.

The RDCs are individually and collectively committed to that mission, through the purposes and goals as described in their by-laws.

In 2021, two RDCs – Rockingham Economic Development Corporation (dba Regional Economic Development Center of Southern NH – REDC) and Coastal Economic Development Corporation (CEDC) merged to form one RDC serving all of southeastern NH. Staff and assets of CEDC were absorbed into the REDC structure, enabling streamlined delivery of services across a single, combined service area. As a result of the merger, NHARDC is comprised of nine member-RDCs.

#### **RDC Summary and Summary of CDFA Capacity Funding**

Jobs: This Business Technical Assistance Grant requires each RDC to meet the CDBG national objective and public-benefit standard by creating at least one job for a person from a low- and moderate-income household for each \$20,000 in CDBG funding awarded.

Beyond job creation: In addition to the job-creation requirements tied to this funding, RDCs perform other functions and participate collaboratively with other economic development entities and external partners in their regions. They strive to be the “go-to” source for gap financing and links to various business resources around the State.

For this proposal, CDFA collects the following documentation from each RDC:

- 1) Permanent organizational documents (such as by-laws, loan policies, etc.);
- 2) Annual information (board list, organizational chart, loan portfolio, CDBG projects, job-creation efforts, etc.);
- 3) Financial information, including the most recent audited financial statement and management-prepared interim financials for the current year;
- 4) Matching-funds and job-creation commitments; and
- 5) An annual work plan for the proposed program year.

CDFA reviews these documents and conducts a financial review of each RDC. Financial reviews indicated that there are no significant financial issues that would preclude successful deployment of the business technical assistance proposed as part of this application.

**Sources and Uses**

Uses	Sources		Totals
	CDBG Funds	RDC Match	
Business Technical Assistance	\$251,000	\$267,000	\$518,000
Grant Administration	\$16,000		\$16,000
Totals:	\$267,000	\$267,000	\$534,000

**Applicant and Sub-recipient**

One application through Grafton County has been submitted. Funds will be sub-granted to NHARDC on behalf of nine of its member RDCs. There will be two parts to the funds available to the RDCs.

The first part involves direct technical assistance provided by RDC staff to businesses within its service area. Nine RDCs will contribute matching funds from their internal resources, exclusive of staff time spent providing technical assistance to specific businesses. In return, each RDC can request up to \$19,000 in reimbursement (\$171,000 in the aggregate).

The second part of the funding will consist of a 'pool' of funds in the amount of \$80,000. As an RDC identifies a business technical-assistance need that it cannot provide with its own staff, it may request additional funds from the consultant 'pool' to acquire the services of a consultant to provide the technical assistance. Consultant proposals will be approved by CDFA. If an RDC utilizes outside consultants for specific technical assistance, it will provide additional match equal to the amount of funding requested for the consultant. This is the fifth year of this activity, which showed modest success in the first four years and indications from participating RDCs (pre-application) of likely increased utilization of these funds.

**Administrative Costs**

CDFA first used the single subrecipient model for the 2016 Business Technical Assistance application with much success. Paperwork has been kept to a minimum and efficiencies have been gained by streamlining the administrative procedures. By limiting the submittal to one applicant, one subrecipient and quarterly drawdown requests, the administrative overhead is significantly minimized as well.

**Administration Cost Breakdown**

Grant Administrator	\$10,000
Legal	\$500
Audit	\$1,500
Application Writing	\$4,000
<b>Total</b>	<b>\$ 16,000</b>

**Job Creation**

In accordance with CDBG national objectives and public benefit standards, all RDCs together will create at least one job benefiting LMI person(s) per \$20,000 awarded in the aggregate, for a total of fourteen (14) jobs.
