His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) requests authorization to enter into a grant agreement with the Town of Jackson (VC#159888-B001) for the purchase and installation of a generator, associated transfer switch, and concrete pad for the community's Secondary Emergency Operations Center for a total amount of \$5,000.00. Effective upon Governor and Council approval through September 30, 2019. Funding source: 100% Federal Funds.

Funding is available in the SFY 2019 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety	Homeland Sec-Emer Mgmt	100% EMPG Local Match
072-500574	Grants to Local Gov't - Federal		
Activity Code: 23EMPG 2017			\$5,000.00

Explanation

The purpose of this grant is for the Town of Jackson to purchase and install a generator, associated transfer switch, and concrete pad for the community's Secondary Emergency Operations Center. Governor and Council approval is being sought as the amount of this grant plus the amount of a grant to update the community's Local Hazard Mitigation Plan, previously approved by the Department, yield a total amount that is over the Governor and Council approval threshold. The grant listed above is funded from the FFY 2017 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Subrecipients submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
John J. Barthelmes
Commissioner of Safety

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever; and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. **TERMINATION.**

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice of default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
