

In 2013, a Capital Appropriation was approved for “a state match against private funds raised, up to \$40,000, for the purpose of constructing the memorial commemorating the 400th anniversary, of the discovery of the Isles of Shoals by John Smith at Ragged Neck in Rye Harbor State Park.” The Legislative Commission established pursuant to Chapter 192:45, Laws of 2013, to construct the memorial has sought both financial and in-kind donations which amount to \$41,198.50 to-date. The total cost of the project including donations and payments to vendors is \$68,904.

The Commission identified Swenson Granite Works as the vendor of choice as they offered a 50% donation towards the cost of the monument (as presented in Section 1 of the Requested Action). Further, Saymore Trophy Company was selected by the Commission as the best candidate to provide etching of the bronze map plaque. For these reasons, the Department is seeking sole source approval to make payment to these vendors.

Respectfully submitted,

Concurred,

Philip A. Bryce
Director
