DEPARTMENT OF SAFETY
OFFICE OF THE COMMISSIONER

33 HAZEN DR. CONCORD, NH 03305
603/271-2791

JOHN J. BARTHELMES
COMMISSIONER

June 7, 2016

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) requests authorization to enter into a grant agreement with the Town of Alexandria (VC#159821-B001) for a total amount of \$159,900.00 for implementation of projects identified through the evaluation of natural hazards. Effective upon Governor and Council approval through March 24, 2019. Funding source: 100% Federal Funds.

Funding is available in the SFY 2016/2017 operating budget as follows:

02-23-23-236010-29200000	Dept. of Safety	HSEM	Hazard Mitigation Grant Program
072-500574	Grants-Federal – Grants to local Gov't – Federal		\$159,900.00
Activity Code: 23DR4209HM			

Explanation

The Town of Alexandria proposes to replace an undersized culvert with a larger culvert that is capable of conveying the calculated flows as well as significantly reducing the likelihood of repeated road washout. The existing 3' diameter culvert will be replaced by a precast concrete box culvert with the dimensions of 9' wide by 5' in height, with wingwall protection at both the inlet and the outlet. The Hazard Mitigation Grant Program (HMGP) provides funding to states and communities (sub-applicants) for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. Federal Emergency Management Agency (FEMA) provides HMGP funds to states that, in turn, provide sub-grants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. The program cost share is 75% Federal funds and a 25% applicant match. The sub-applicants will provide and document the program match requirements.

The State of New Hampshire solicits applications statewide. Notification of the availability of HMGP funds is made to every community by e-mail and by letters sent to the chief elected official of each community. The State of New Hampshire submits all applications received for program funding to the Federal Emergency Management Agency for their final approval. Applications that are determined to be cost effective and program eligible are then funded by FEMA in full; not every application submitted is determined to be program eligible. However, all applications that are determined to be eligible are funded at the requested dollar amount listed in their application, pending availability of adequate program funding.

There are no General Funds required with this request. In the event that HMGP funds become no longer available, General Funds and/or Highway Funds will not be requested to support this program

Respectfully submitted,

John J. Barthelmes
John J. Barthelmes
Commissioner of Safety

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Sub-Recipient from any and all liability for damages sustained or incurred by the State as a result of the Sub-Recipient's breach of its obligations hereunder.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
