EXPLANATION

The paint on the Odiorne Homestead at Odiorne Point State Park has worn out and is in need of repainting. The present painting was done in 2001 and the paint has deteriorated to a point of no longer sticking to the building. Therefore, painting is necessary to protect the integrity of this building.

In May 2013, an invitation to submit bids for painting the Odiorne Homestead at Odiorne Point State Park was advertised through 5 companies known to the Department and the construction industry, and on the Department of Administrative Services' and the Division of Parks and Recreation's websites. Three (3) bids were received and Property Logistics was selected as the low-bid contractor for this project.

The Attorney General's Office has approved this contract as to form, substance and execution.
