REQUESTED ACTION

1. Pursuant to RSA 14:30-a, VI, authorize the Department of Justice to **retroactively** amend Fiscal Item #14-143, approved by the Fiscal Committee on September 26, 2014 and approved by Governor and Executive Council on October 1, 2014, item #52, by extending the current end date from June 30, 2015 to a new end date of December 31, 2015. This funding is for the purposes of establishing a Statewide Automated Victim Information and Notification Program (SAVIN), for the period effective upon the Fiscal Committee and Governor and Executive Council approvals through December 31, 2015. No additional funds are involved in this time extension. 100% Federal Funds.
2. Contingent on the approval of paragraph one, authorize the Department of Justice to further **retroactively** amend item #52 approved by Governor and Executive Council on October 1, 2014 by extending the end date of the subgrant to the NH Department of Safety (vendor #177878-B001) in the amount of \$955,095.00 from the current end date of June 30, 2015, to a new end date of December 31, 2015, effective upon Governor and Executive Council approval. No additional funds are involved in this time extension. 100% Federal Funds.

Funds are available in account #02-20-20-201510-1137, Department of Justice FY 11 SAVIN Grant.

EXPLANATION

This request is retroactive because the beginning date July 1, 2015 associated with this request is in the new biennium. It is the policy of the Fiscal Committee to act only on items within the current biennium and this is the first meeting in the new biennium. This grant was not budgeted because it is considered a discretionary grant and will not likely be awarded in subsequent years.

The approval of this request will allow the program to continue through December 31, 2015. The dual purpose is the prevention of crime and the realization of victims' rights under NH RSA 21-M:8-k, *Rights of Crime Victims*. The program will lay the foundation for real-time notification to victims as to the status of their offender in the criminal justice system, from arrest and prosecution through release from custody and post-conviction probation and parole hearings.

Funding under this project supports the construction and implementation of a subscription notification service component to the NH Department of Safety's established criminal information sharing system, J-One. The system is scheduled to connect to the state prison, the courts, and the county jails, and will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the State's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

In the event that federal funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Joseph Foster
Attorney General

EXPLANATION

In a previous item, the NH Department of Justice was given approval to accept and expend funding from the US Department of Justice, Office of Justice Programs, Bureau of Justice Assistance, to

implement a program entitled "Statewide Automated Victim and Information Notification Program." The purpose of the program is to assist crime victims through enhanced notification efforts. Through this action, the NH Department of Justice is seeking approval to extend the end date on that project so that we may meet the objectives of the program. Additional time is required as a result in delays in the development process, to include contracting with vendors and designing suitable program criteria.

The program's dual purpose is the prevention of crime and the realization of victims' rights under NH RSA 21-M:8-k, Rights of Crime Victims. The program will lay the foundation for real-time notification to victims whose offenders are involved in the criminal justice system at any and all points, from arrest and court events through release from custody and probation and parole hearings.

Funding under this project supports the construction and implementation of a subscription notification service component to the NH Department of Safety's established criminal information sharing system, J-One. The system is scheduled to connect to the state prison, the courts, and the county jails, and will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the state's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.
