Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

1. Pursuant to RSA 21-I:80, (b), authorize the Department of Resources and Economic Development, Division of Parks and Recreation, Cannon Mountain to enter into a contract with G.W. Tatro Construction, Inc. (VC #160411), Jeffersonville, VT in the amount of \$99,955 for the Snowmaking Pumphouse Steel and Pipe Upgrade at Cannon Mountain Ski Area upon Governor and Executive Council approval through October 31, 2014. 100% Capital Funds
2. Further authorize a 5% contingency in the amount of \$5,000 to cover any unforeseen issues that may arise, which is not covered under the original scope of services, once the work is underway. 100% Capital Funds

Funding is available in account titled, RSA 12-A:29-B Cannon Capital Improvement, as follows:

		<b><u>FY 2015</u></b>
03-35-35-350030-31320000-034-500161	Capital Projects	\$104,955

**EXPLANATION**

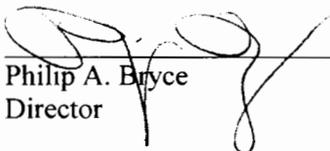

The existing pipe and valve seats for Cannon Mountain's snowmaking pumphouse have reached their functional limit and are in need of replacement. A 400 HP pump is being replaced by a new 600 HP pump and will require that new piping be installed to accept this new pump. Further, there is no gantry system in place, which has necessitated the use of a crane rental and skylight/ceiling system removal each time pump componentry is removed, repaired and/or replaced. The far safer and smoother load-in gantry system is necessary for the pump/motor replacement and for future projects as such.

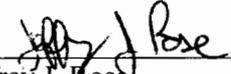

On July 17, 2014, an invitation to submit bids for "*Snowmaking Pumphouse Steel and Pipe Upgrades - Cannon Mountain*" was advertised on the Department of Administrative Services' and Construction Summary's websites. GW Tatro, Inc. was the only vendor to submit a formal bid. Whereas GW Tatro offered good pricing in-line with the project at-hand and since they have performed a great number of projects at Cannon Mountain in the past, the Department feels confident in their abilities and knowledge to complete this project.

The Attorney General's Office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,

  
Philip A. Bryce  
Director
