His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM), to retroactively amend an existing grant agreement (PO#1082294) with the Town of Meredith (VC#159903-B001), 41 Main Street Meredith NH, 03253 to purchase and install a generator in the community's Emergency Operations Center (EOC) by extending the completion date from August 31, 2022 to August 31, 2023 effective upon the Governor and Council approval. The grant was initially approved by the Governor and Executive Council on April 7 2021, Item #65 and Amended on September 15, 2021, Item #74C. 100% Federal Funds.

EXPLANATION

This is retroactive due to Division level staffing challenges that caused internal processing delays. This request for an extension is necessary due to delays in shipping and supply chain shortages that are affecting suppliers. It was agreed that an extension to August 31, 2023 approved by Governor and Council, would provide the Town of Meredith ample time to complete the aforementioned tasks. HSEM has reviewed this request with the Federal Emergency Management Agency (FEMA) and it was determined that the date extension will not affect Federal funding.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

REQUESTED ACTION

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management (HSEM), requests authorization to retroactively amend the grant agreement with the Town of Meredith (VC#159903-B001) to purchase and install a generator in the community's Emergency Operations Center (EOC). This amendment will extend the completion date only from August 31, 2021 to August 31, 2022. The grant was initially approved by the Governor and Executive Council on April 7, 2021 Item #65. Effective upon Governor and Council approval. Funding source: 100% Federal Funds.

EXPLANATION

This retroactive request for an extension is needed because there have been delays in finding a proper installation technician due to COVID restrictions and timing issues. It was agreed that an extension to August 31, 2022, approved through Governor and Executive Council, would be necessary in order to complete their project. HSEM has reviewed this request with the Federal Emergency Management Agency (FEMA) and it was determined that the date extension will not affect Federal funding.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
