EXPLANATION

This request is being made to accept American Rescue Plan Act funds (ARPA) to assist the New Hampshire fuel assistance households in paying their energy bills. These funds are intended to supplement the annual fuel assistance grant award providing additional funding for many New Hampshire residents working to navigate through the COVID-19 Pandemic. Department of Energy is requesting to expend these additional funds by entering into contracts with the five N.H. Community Action Agencies who will work with energy providers to better assist fuel assistance clients.

The Department of Energy will be tracking these funds independently from the annual block grant, but will be following the normal terms and conditions applicable to the annual block grant.

In the event that these Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Jared Chicoine
Interim Commissioner
