REQUESTED ACTION

1. EXPLANATION

In a previous item, the NH Department of Justice was given approval to accept and expend funding from the US Department of Justice, Office of Justice Programs, Bureau of Justice Assistance, to

implement a program entitled "Statewide Automated Victim and Information Notification Program." The purpose of the program is to assist crime victims through enhanced notification efforts. Through this action, the NH Department of Justice is seeking approval to extend the end date on that project so that we may meet the objectives of the program. Additional time is required as a result in delays in the development process, to include contracting with vendors and designing suitable program criteria.

The program's dual purpose is the prevention of crime and the realization of victims' rights under NH RSA 21-M:8-k, Rights of Crime Victims. The program will lay the foundation for real-time notification to victims whose offenders are involved in the criminal justice system at any and all points, from arrest and court events through release from custody and probation and parole hearings.

Funding under this project supports the construction and implementation of a subscription notification service component to the NH Department of Safety's established criminal information sharing system, J-One. The system is scheduled to connect to the state prison, the courts, and the county jails, and will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the state's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Joseph A. Foster

REQUESTED ACTION

1. Pursuant to RSA 14:30-a, VI, authorize the Department of Justice to retroactively amend Fiscal Item # 12-033 approved by the Fiscal Committee on January 20, 2012, and Governor and Council on February 8, 2012, item #19, by extending the end date from June 30, 2013 to a new end date of September 30, 2014. This funding is for the purposes of establishing a Statewide Automated Victim Information and Notification Program (SAVIN), for the period effective upon the Fiscal Committee and Governor and Council approvals through September 30, 2014. No new funds are being requested. 100% Federal Funds.

2. Upon approval of paragraph number one, authorize the Department of Justice to retroactively amend item #19, approved by Governor and Council on February 8, 2012, by extending the end date only, with no increase in funding, of the sub grant to the NH Department of Safety (vondor #177878-B001) in the amount of \$955,095.00 from the original end date of June 30, 2013, to a new end date of September 30, 2014, effective upon Governor and Council approval. This is 100% Federal Funds.

Funds are available in account #02-20-20-201510-1137, Department of Justice FY 11 SAVIN Grant.

3. Upon approval of paragraph number one, authorize the Department of Justice to enter into a sub grant with the NH Department of Corrections (vondor #177896-B001) in the amount of \$8,247.28, to be used to support the development of the NH SAVIN system, from the period of Governor and Council approval through September 30, 2014, effective upon Governor and Council approval. This is 100% Federal Funds.

Funds are available in account #02-20-20-201510-1137, Department of Justice FY 11 SAVIN Grant.

EXPLANATION

This request is retroactive because the beginning date (July 1, 2013) associated with the request is in the new biennium. It is the policy of the Fiscal Committee to act only on items within the current biennium. This grant was awarded on September 7, 2011, with an original end date of September 30, 2013. As the biennium ended on June 30, 2013, we did not originally seek Fiscal Committee approval beyond that date. The federal grant has since been extended by the Office of Justice Programs to September 30, 2014.

The program's dual purpose is the prevention of crime and the realization of victims' rights under state statute NHRSA 21-M:8-k, Rights of Crime Victims. The program will lay the foundation for real-time notification to victims whose offenders are involved in the criminal justice system at any and all points, from arrest and court events through release from custody and probation and parole hearings.

Funding under this project supports the construction and implementation of a subscription notification service component to the NH Department of Safety's established criminal information sharing system, J-One. The system is scheduled to connect to the state prison, the courts, and the county jails, and will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the state's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

The new award to the NH Department of Corrections is the second of two small awards to the Department to assist with the staffing requirements of developing the SAVIN system in that agency.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.
