His Excellency, Governor Christopher T. Sununu and the Honorable Executive Council State House Concord, New Hampshire 03301

## REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails to enter into **RETROACTIVE** Grant-In-Aid agreements with the OHRV clubs shown in the attachment in the total amount of \$335,903.71, upon Governor & Council approval, for the period June 1, 2018, through May 31, 2019. 100% Transfers from Fish & Game.

Funding in FY 2019 is contingent upon availability and continued appropriation, as follows:

FY 2019

03-35-351510-34860000 Grant-In-Aid - Wheeled 075-500590 Grants Subsidies and Relief

\$335,903.71

### **EXPLANATION**

The Department's authority to enter into Grant-In-Aid agreements with non-profit off highway recreational clubs is outlined in RSA 215-A:23, VI(b). These grant agreements are for aiding the clubs in the maintenance and development of OHRV trails and the purchase and refurbishment of trail maintenance equipment. This request is retroactive due to the timing of the Governor & Council meeting and the clubs needing to start their trail construction projects.

Copies of these agreements are available at the Department's Bureau of Trails. The Attorney General's office has approved the attached sample agreement as to form and substance, and will approve the actual agreements as to execution.

While many of the grant agreements are not above the \$25,000 limit requiring approval by the Governor and Executive Council, because there is the potential for additional grants to be awarded to these clubs through the Department during the same Fiscal Year, possibly putting grantees over said limit, full disclosure of the attached grantee list is warranted.

Respectfully submitted,

Philip A. Bryce

Director

Concurred,
