Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management, requests authorization to enter into a grant agreement with the Town of Errol (VC#177391-B001), for a total amount of \$6,000.00 for the updating of their local hazard mitigation plan. Effective upon Governor and Council approval through January 9, 2016. Funding source: 100% Federal Funds.

Funding is available in the SFY 2015 operating budget as follows:

02-23-23-236010-43930000	Dept. of Safety	HSEM	Pre-Disaster Mitigation
072-500574 Grants to Local Gov't. - Federal			\$6,000.00
Activity Code: 23PDM13 4393			

Explanation

The grant listed above is funded from the FFY 2013 Pre-Disaster Mitigation Competitive (PDMC) Grant Program, which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The PDMC Grant Program provides funding to sub-grantees for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides PDMC funds to states that, in turn, provide sub-grants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. Notification of this program is made to every community by email and by letter sent to the chief elected official of each community. All community applications for this grant are reviewed for eligibility by the State Hazard Mitigation Officer prior to being submitted to FEMA.

The PDMC Grant Program is 75% federally funded by the Federal Emergency Management Agency with a 25% match requirement supplied by the sub-grantee. The sub-grantee acknowledges its match obligation as part of Exhibit A to the grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
John J. Barthelmes

In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.
