EXPLANATION

The Residential Substance Abuse Treatment for State Prisoners (RSAT) Formula Grant Program assists states and units of local government in developing and implementing residential substance abuse treatment programs in state and local correctional and detention facilities. This FY 2011 grant award from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance is designed to fund residential substance abuse treatment programs for adult and juvenile state offenders. These funds support on-going projects including the Adolescent Drug and Alcohol Program at the Youth Development Center, an intensive, multi-phase substance abuse treatment program, and four jail-based substance abuse programs. A mandatory 10% of the State's RSAT allocation has been passed through to county correctional facilities since 2003.

The Grafton County Department of Corrections contracts with a licensed drug and alcohol

counselor and conducts random drug testing for inmates who are identified as having substance use disorder.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,
